## **1. OBJECTIVES**

Health Centre in Amet University is dedicated to high quality health care providing for cadets, students, staffs of all departments and all other members. Healthcare Centre is having medical faculties with one doctor, and one nurse providing a primary level of care in the morning session and another doctor from Chettinad hospital for residential cadets. We are here to listen and offer guidance on a variety of personal and social issues.

## **SCOPE:**

In the future we look forward in bringing some medical equipment's like nebulizer for better service. For protecting from covid-19 Wave, washing hands frequently, social distancing and wearing face mask correctly, following other hygiene procedures, taking nutritious immune boosters diet should be practiced mandatorily by all the cadets and staffs.

## **2. PROFILE:**

Provide care for acute illness or injuries as an outpatient basis while also meeting the needs of students with continue chronic illness, providing Wellness education to the cadets.

### **3. FACILITIES:**

#### **3.1. Round the Clock Health Centre & Ambulance:**

In case of Emergency due to major injuries or major Ailment's cadets are referred to Chettinad Hospital immediately. Concerned Warden should be accompanying the cadet in the ambulance for the management after giving first aid.

### 3.2. Ward for In-Patient observation

(Separate Sick Bay for Boys & Girls):

We have sick bed for girls and boys separately. They will be taken care separately and been will be having separate in charge Doctors for them. Boys will have (Sick Bay Men) and girls will have (Sick Bay girls)

**Sick bay for Boys**

**Sick bay for Girls**

### 3.3. Medical Dispensary:

Here we have all the necessary and essential medicine needed for all cadets, students and staffs.

### 3.4. Medical waste disposal unit:

For Bio-medical waste we are using different color code waste bins. They are kept separately and been taken care accordingly.

#### **4. AMET DOCTOR / STAFF NURSE PARTICULARS:**

Healthcare Centre is having medical faculties with one doctor, and one nurse providing a primary level of care in the morning session and another doctor from Chettinad hospital for residential cadets.
