

NATIONAL LEVEL WORKSHOP ON BASIC TECHNIQUES IN PROTEIN RESEARCH

7 - 11, MAY 2012

TECHNICAL ELEMENTS OF THE WORKSHOP

- Extraction of protein from bacteria, actinomycetes and plants.
- Intracellular, extracellular and membrane proteins
- Protein estimation – Bradford, Lowry & UV absorbance methods
- Polyacrylamide gel electrophoresis
- Denaturing gel and Native gel
- Protein precipitation methods & Dialysis
- Ion exchange chromatography
- Gel filtration chromatography (Theory)

REGISTRATION FEE Rs. 3000/-

**Includes working lunch,
light refreshments &
workshop manual**

UG/PG students, Research Scholars, young researchers can request application forms.

Aspirants who gets official confirmation shall alone take DD for Rs.2500 in favour of AMET payable at Chennai and send along with filled in application form.

**REGISTRATIONS ARE
RESTRICTED FOR
FIRST 25
PARTICIPANTS ONLY**

**AMET
UNIVERSITY**
(Under Sec. 3 of UGC Act 1956)

For registrations and further details contact
