Academy of Maritime Education and Training (AMET)

(Deemed to be University)

#135, East Coast Road, Kanathur, Chennai - 603 112.

Website : www.ametuniv.ac.in E.mail : office@ametuniv.ac.in

Tel. : 044-2744 4625 / 627 / 628

ABOUT THE UNIVERSITY :

India's first Maritime Deemed to be University for maritime-related education, training and research. Overlooking the deep blue sea cradled by the Bay of Bengal and tucked in the scenic drive way of east coast road is AMET. The one and only University from India to be a member of the International Association of Maritime Universities. With quality, commitment, knowledge and excellence as its corner stones, AMET had a humble beginning in the year 1993 with just 14 cadets moulded for a career in merchant navy through a Higher National Diploma programme in Marine Engineering. AMET's uncompromising strides of excellence in the field of Maritime Education and Training laced with its capacity to feed the global shipping industry with an unrivalled maritime human resource secured it the status of becoming the first Deemed to be University in India for maritime education, training, research and development activities from 21st August 2007. AMET serves as an ocean of knowledge for over 3000 students pursuing Programmes ranging from diploma to Doctoral programs through 4 schools and 2 intensive research and training centers for marine and marine related activities. Equipped with an excellent infrastructure for research and development, co-curricular and extracurricular activities AMET secured its compliance certificate for ISO 9001:2015 QMS standards from the prestigious and globally renowned DET NORSKE VERITAS, Norway. For over two decades AMET is remaining as the favorite destination for campus interviews by many shipping giants such as AP MOLLER MAERSK, GOODWOOD, NYK, SONANGOL, VSHIPS, WALLEMS, SHELL, CHEVRON, STENA and so goes a list of over 100 companies. Besides positions onboard, AMET Business school graduates have secured lucrative jobs in commercial shipping sectors such as chartering and ship broking.

VISION AND MISSION OF THE UNIVERSITY

VISION

To sustain identity as a World Class Leader in Maritime Education and empower learners with wholesome knowledge through progressive innovation in training, research and development which will render students a unique learning experience and a transformation impact on the Global Society.

MISSION

AMET will strive continuously to:

- Impart value-based higher education and technical knowledge with uncompromising strides of an outstanding quality.
- Emerge as a Centre of Excellence inculcating skill development in recent technologies in accordance with industrial trends.
- Create World class research capabilities on par with the finest in the world and broaden student's horizons beyond classroom education.
- Nurture talent and entrepreneurship and enable all round personality development in students.

- ⦿ Empower students from across socio economic strata.
- ⦿ Make a positive difference to society through technical education.

OBJECTIVES OF FDP:

- ⦿ It empowers the Faculty members with innovative advanced pedagogy for their professional development and student's enhanced learning.
- ⦿ Faculty members will be acquainted with teaching strategies that can promote independent, critical and creative thinking among the students.
- ⦿ It aims to inculcate and enhance the abilities of the faculty members to carry out independent research, write successful research projects, file patents and publish article in high impact factor journals.

CONTENT :

- ⦿ Different pedagogical methodologies
- ⦿ Outcome based learning of students
- ⦿ Development of approaches and parameters for an effective evaluation in order to promote outcome based learning.
- ⦿ Bloom's taxonomy framework
- ⦿ Teaching learning process
- ⦿ Development of research proposal for various funding agencies
- ⦿ Challenges in patent preparation and filing
- ⦿ Publication of articles
- ⦿ Usage of Technological tools

OUTCOMES:

- ⦿ Equip themselves with the usage of advanced pedagogical techniques in their classroom.
- ⦿ Gain better understanding of the Bloom's taxonomy framework for enhancing critical thinking among students and to promote outcome based education.
- ⦿ Design and implement evaluation schemes that can properly assess the student's learning.
- ⦿ Effectively improve the teaching learning process to make it student centric.
- ⦿ Equip themselves Patent preparation and filing; publication of articles and submission of project proposal

PARTICIPANTS OF FDP

Faculty members, Industry people and Research scholars.

FDP DELIVERY MODE

- ⦿ The online FDP will be in Device-to-Device (D2D) mode on the Zoom platform with adequate security features.
- ⦿ The participants will attend the sessions by logging in from their computer/laptop.

REGISTRATION FEE

The Two weeks FDP is offered at free of charge
