Tel : 91 44 2744 4625/627/628

E-mail: office@ametuniv.ac.in

Website : www.ametuniv.ac.in

ABOUT THE UNIVERSITY :

India's first Maritime Deemed to be University for maritime-related education, training and research. Overlooking the deep blue sea cradled by the Bay of Bengal and tucked in the scenic drive way of east coast road is AMET. The one and only University from India to be a member of the International Association of Maritime Universities. With quality, commitment, knowledge and excellence as its corner stones, AMET had a humble beginning in the year 1993 with just 14 cadets molded for a career in merchant navy through a Higher National Diploma programme in marine engineering. AMET's uncompromising strides of excellence in the field of maritime education and training laced with its capacity to feed the global shipping industry with an unrivalled maritime human resource secured it the status of becoming the first Deemed to be University in India for maritime education, training, research and development activities on the 21st August 2007

AMET serves as an ocean of knowledge for over 3000 students pursuing Programmes ranging from diploma to Doctoral programs through 7 schools and 2 intensive research and training centers for marine and marine related activities. Equipped with an excellent infrastructure for research and development, co-curricular and extracurricular activities AMET secured its compliance certificate for ISO 9001:2015 QMS standards from the prestigious and globally renowned DET NORSKE VERITAS, Norway.

The National Assessment and Accreditation Council (NAAC) an autonomous institution of the University Grants Commission has assessed AMET and accredited with A Grade during September 2021. The accreditation is an indication of standards of quality as set by the NAAC and valid for a period of five years from 13-09-2021.

AMET INNOVATION AND INCUBATION CENTRE

AMET -Innovation and Incubation centre was established in 2015 to catalyse and promote start-ups, to guide and support in identifying a platform for commercialization. AMET- Innovation and Incubation centre has a facility with 2000 square feet with private and public spaces, furnished using internal fund from AMET University. The facility provides Plug and play and highspeed internet connectivity allowing the innovator, start-ups and incubates to enjoy a comfortable calm atmosphere to develop their ideas. The centre supports the young minds by connecting to mentors both internally and externally. AMET – Innovation and Incubation centre motivates students to innovate their ideas through seed funding

AMET INSTITUTION INNOVATION COUNCIL

In November 2018 AMET formed the Institution Innovation Council, and inaugurated the same with 16 student members, 3 faculty members and 5 external members. The University allotted department coordinators for each core departments and the IIC activities were conducted as per schedule to bring awareness about innovation/entrepreneurship and AMET University received the maximum 4 STAR certificate for the academic year 2018-19. In the academic year 2019-20 we have 24 faculty members and 135 student members enrolled in IIC. AMET students regularly participate in SMART INDIA HACKATHON organized by MHRD innovation cell (MIC). Student start-ups are registered and the students of the council are actively involved in various innovative projects.

Why Idea Ignition Day 2022

Idea Ignition Day 2022 is the platform which helps to unleash the potential of our students. The main objective of the Demo Day 2022 is to bring out the student's innovation. Our students acquire the following:

- Improve their innovative spirit.
- It makes the transformation of theoretical knowledge into applications.
- It enriches the knowledge of renewing technologies. Boosts curiosity of learning.
- Improves Team Management and Problem solving skills
