Academy of Maritime Education and Training (AMET)

(Deemed to be University)

#135, East Coast Road, Kanathur,
Chennai - 603 112, Tamil Nadu, India

Website : www.ametuniv.ac.in

About AMET :

India's first Deemed to be University under Section 3 of UGC Act 1956 for maritime education, training and research. Located on the beautiful shore of Bay of Bengal at Kanathur, is the state of the art establishment totally dedicated to the dissemination of knowledge and training to cadets and students in the field of Maritime Education & Training. Established as a Private Maritime Institution through AMET Trust with just 14 cadets in 1993, AMET has, through its uncompromising strides of excellence and ambitious zeal to serve the students and nation, transformed into the First University for Maritime Education in India with current student strength of 4000 enrolled in different intensively and marine related UG and PG programs. It is a pioneering University with membership in International Association of Maritime Universities (IAMU), Japan. AMET is ranked THIRD among the Maritime Universities of World in PIMET (Performance Indicators in Maritime Education and Training) Ranking of the IAMU for three consecutive years. The Director General of Shipping has accredited University with A1 outstanding Grade for the past FIVE consecutive years for outstanding maritime education and training, which is a rare distinction.

AMET Vision and Mission

Vision

To sustain identity as a World Class Leader in Maritime Education and empower learners with wholesome knowledge through progressive innovation in training, research and development which will render students a unique learning experience and a transformation impact on the Global Society.

Mission

AMET will strive continuously to

- ✿ Impart value-based higher education and technical knowledge with uncompromising strides of an outstanding quality.
- ✿ Emerge as a Centre of Excellence inculcating skill development in recent technologies in accordance with industrial trends.
- ✿ Create World class research capabilities on par with the finest in the world and broaden student's horizons beyond classroom education.
- ✿ Nurture talent and entrepreneurship to enable all round personality development among students.
- ✿ Empower students across socio economic strata.
- ✿ Make a positive difference to society through technical education.

About Internal Quality Assurance Cell (IQAC) :

AMET considers quality as its prime focus. The University is accredited with B Grade by NAAC since 2015. The Institute is certified with ISO since 1998. The ISO certification is awarded by an exclusive maritime industry classification society, the DNV GL. At present AMET is having the ISO 9001-2015. The Institution since 1998, is practicing the highest sincerity and methodical approach under the ISO system with a detailed Quality Management System. AMET has started sensitizing its Faculty and Department towards NAAC Accreditation since 2011.

AMET has formed an IQAC on 13.05.2013 which functions in close coordination with NAAC Steering Committee, Quality Management System and other University bodies like Academic Council.

Internal Quality Assurance Cell (IQAC) has institutionalized five major quality initiatives including implementation of outcome based education (OBE), promotion of ICT, promotion of research culture, identification of priority areas for quality improvement; formation of Core Working Group to facilitate quality initiatives through which University has achieved many laurels (Five times Grade A1 (Outstanding) in CIP ranking of DGS; Three times ranked within top 3 in IAMU-PIMET Ranking; NIRF Rank-Band 200-250; ARIIA Ranking 25-50 Rank-Band; Four Awards for Green Campus Activities) IQAC conducted 33 events to promote quality attributes.

IQAC contributed towards incremental improvements in compliance with various committee reports, including NAAC Peer Team Report of 2015 first cycle accreditation and university is in the second cycle of accreditation.

As per the NAAC guidelines, IQAC shall post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC shall become a part of the institution's system and work towards realization of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. For this, during the post-accreditation period, it will channelize all efforts and measures of the institution towards promoting its holistic academic excellence.

IQAC Vision and Mission

Vision

- ✿ To evolve systems and procedures for the development, sustenance and enhancement of quality initiatives in academic and administrative performance of AMET.

- ✿ To integrate the other bodies of AMET to provide a holistic approach for the quality initiatives.
- ✿ To elevate AMET as a top rated Higher Educational Institute in India in all the quality attributes.
- ✿ To upkeep the NAAC accreditation status and to achieve highest grade.

Mission

- ✿ Closely working with other quality oriented entities such as QMS
- ✿ Setting up of quality standards as per NAAC guidelines
- ✿ Finding the areas with opportunities for quality enhancement
- ✿ Nurturing the existing quality in academics, administration etc
- ✿ Optimize the good quality attributes
- ✿ Create and improve the mechanisms for tracking the implementation of quality initiatives
- ✿ Imbibe the culture of quality in every activities

About the National Conference :

Education is fundamental for achieving full human potential, developing an equitable & just society and promoting national development. Providing universal access to quality education is the key to India's continued ascent, and leadership on the global stage in terms of economic growth, social justice and equality, scientific advancement, national integration, and cultural preservation. Universal high-quality education is the best way forward for developing and maximizing our country's rich talents and resources for the good of the individual, the society, the country, and the world. India will have the highest population of young people in the world over the next decade, and our ability to provide high-quality educational opportunities to them will determine the future of our country. The global education development agenda reflected in the Goal 4 (SDG4) of the 2030 Agenda for Sustainable Development, adopted by India in 2015 - seeks to “ensure inclusive and equitable quality education and promote lifelong learning opportunities for all” by 2030. Such a lofty goal will require the entire education system to be reconfigured to support and foster learning, so that all of the critical targets and goals (SDGs) of the 2030 Agenda for Sustainable Development can be achieved. This National conference on New Education Policy: A Quality enhancer for Inculcation of Human Values in Higher Education Institutions tries to display the opinion of the Academician/Researchers and Industrial sector people about the inculcation of the human values from the new education policy.
