Website : [www.ametuniv.ac.in](http://www.ametuniv.ac.in)

## About the University

AMET is India's first Deemed to be University in Maritime Education which is ranked as 3rd among Maritime Universities of the World in the PIMET Performance Indicators in Maritime Education and Training) Ranking of International Association of Maritime universities (IAMU). Established during 1993, AMET's uncompromising strides of excellence in the field of maritime education and training, backed with its capacity to feed the global shipping industry with an unrivalled maritime human resource, secured it to have many national and international recognitions, accreditations and rankings such as NAAC, NIRF, ARIIA, DGS-CIP, PIMET, etc.

### Vision and Mission of the University

#### Vision

To sustain identity as a World Class Leader in Maritime Education and empower learners with wholesome knowledge through progressive innovation in training, research and development which will render students a unique learning experience and a transformation impact on the Global Society.

#### Mission

AMET will strive continuously to

- ✿ Impart value-based higher education and technical knowledge with uncompromising strides of an outstanding quality.
- ✿ Emerge as a Centre of Excellence inculcating skill development in recent technologies in accordance with industrial trends.
- ✿ Create World class research capabilities on par with the finest in the world and broaden student's horizons beyond classroom education.
- ✿ Nurture talent and entrepreneurship to enable all round personality development among students.
- ✿ Empower students across socio economic strata.
- ✿ Make a positive difference to society through technical education.

## About the Department

The Department of Marine Engineering was established in 2001 with an aim to facilitate and promote maritime studies with training to produce a remarkable Engineer officer by imparting skills required to operate and manage machineries in modern ships of merchant marine feet. Department offers smooth and rapid path of career development for the cadets to qualify till MEO Class IV and Class II certificate on the completion of Mandatory sea-time requirements and Competency examinations. Department is committed to promote innovative teaching learning process, Interdisciplinary studies and research of modern day ships which equipped with propulsion plants, power generating plants, cargo gears and many other service equipment along with their associated control system and also to safe handle the machines. The Department is proud of its legacy of Alumni who occupies key positions in world class Maritime Sectors.

## About the Programme

AMET -Deemed to be University celebrates World Maritime Day on 30th September 2021, as part of efforts to highlight seafarers and their core role in shipping and its future. To add on a role play depicting the MANEUVERING OF SHIP is performed by the cadets.
