AMET PROFILE

Overlooking the deep blue sea cradled by the Bay of Bengal and tucked in the scenic drive way of east coast road is AMET which is India's first maritime deemed to be University, the one and only university from India to be a member of the International Association of Maritime Universities. With quality, commitment, knowledge and excellence as its corner stones, AMET had a humble beginning in the year 1993 with just 14 cadets molded for a career in merchant navy through a Higher National Diploma programme in Marine Engineering and Nautical Science

AMET's uncompromising strides of excellence in the field of maritime education and training laced with its capacity to feed the global shipping industry with an unrivalled maritime human resource secured it the status of becoming the first deemed to be university in India for maritime education, training, research and development activities on the 21st August 2007. AMET had the privilege and unprecedented status of getting unveiled as a Maritime University from the hands of the secretary general of the International Maritime Organization, Mr.Efthimios E Mitropoulos.

AMET serves as an ocean of knowledge for over 4000 students pursuing courses ranging from diploma to Doctoral programs through 4 schools and 2 intensive research and training centers for marine and marine related activities. Equipped with an excellent infrastructure for research and development, co curricular and extracurricular activities AMET secured its compliance certificate for ISO 9001:2015 quality standards from the prestigious and globally renowned DET NORSKE VERITAS, Norway.

Forged with a vision to secure a position of prominence among the world's maritime universities and with a mission to be the fountainhead for nurturing finest intellectual capital base for the maritime sector – worldwide, education at AMET caters to the comprehensive development of all its students so as to make them better educated, more articulate and demanding. To that end is enabled and inculcated by modern teaching aids, well equipped workshops for practical training, marine workshop for hands on training on marine auxiliaries, Ship in Campus, well furnished hostel, canteen facilities, indoor and outdoor games, swimming pool, medical facilities backed by an overall conducive learning environment.

For over two decades AMET is remaining as the favorite destination for campus interviews by many shipping giants such as AP MOLLER MAERSK, GOODWOOD, NYK, SONANGOL, VSHIPS, WALLEMS, SHELL, CHEVRON, STENA and so goes a list of over 100 companies. Besides positions onboard, AMET Business school graduates have secured lucrative jobs in commercial shipping sectors such as chartering and ship broking. Never the less, Naval architecture, petroleum engineering, harbor engineering, marine electrical and electronics engineering graduates have successfully walked away from AMET with jobs offering sumptuous

Wisdom is the shield against suffering; and the fortress,
impregnable and indestructible for the foes."

packages along with an opportunity to grow and glow in their career swiftly. Needless to say about the entrepreneurship development activities nurtured into AMET'ians has been found rewarding by students who are chief executive officers of their own organization.

AMET works closely and cohesively with the global shipping industry and aligns its objectives regularly to suit the demands of the evolution in technology. Such alignment keeps the students updated and industry-ready. With a consistent placement record AMET has been recognized as a premier institution for marine and marine related jobs and has earned a position as a trustworthy consultants for research and development projects wherein the investment are worth to the tune of several crores of rupees. Adding to this achievements are the awards and accolades garnered by AMET for a range of activities in pursuit of excellence over the last two decades in maritime education, training, research and development.

AMET commitment to cater for the maritime capacity building has no bounds. AMET's strong hold as an institution for quality, discipline and rigor has drawn the attention of several growing maritime nations. To name a few are Republic of Nigeria, Angola and Djibouti that has signed a long term memorandum of understanding with AMET for developing their nation's maritime human resource in particular and maritime infrastructure in general. Nigerian Maritime safety authority (NIMASA) which is the supreme authority for maritime administration in Nigeria, has got over 500 cadets trained through AMET over the last five years.

AMET is a host to over 400 international students hailing from more than 10 countries across the world, thus providing and proving itself as a culturally diverse destination with a pledge to "Respect Diversity" and to promote cross cultural understanding which is the most essential quality for working in global environment.

AMET has a very ambitious vision 2025 plan wherein it aims to be a one stop solution for all marine related activities happening around the world and has clearly charted out an action plan to gauge its growth towards its 2025 milestone. The dogged perseverance of AMET's unmatched faculty gears up the student to meet the challenges of their life and career with tenacity of mind, endeavor to face them and emerge victorious. With a synergistic attitude prevailing among management, staff and student, AMET is all set to achieve and sustain a status par excellence.

Those beings who know the taste, only of the tongue, and not of the ear :
does it matter whether die or live?

RECOGNITION AND ACCREDITATION

AMET has been recognized by Director General of Shipping (DG Shipping) for conducting Marine Engineering and Nautical Science Courses. Det Norske Veritas- Germanischer Lloyds (DNV-GL) world renowned Classification society bestowed the highest Grade A1 (Outstanding) to AMET continuously three years i.e. 2014-'15, 2015-'16 and 2016-'17. after intensive inspection for the Comprehensive Inspection Programme (CIP) conducted under the authority of Director General of Shipping, Government of India.

AMET has been conferred with Deemed University Status under De Novo category on August 2007 by University Grants Commission as per Sec.3 of UGC Act, 1956.

AMET is certified to ISO 9001:2015 QMS Standard by Det Norske Veritas for Design, Development and Conducting Maritime Training Courses, Programmes, Examinations and Assessments.

The National Assessment and Accreditation Council (NAAC) an autonomous institution of the University Grants Commission has assessed AMET and accredited with B Grade during November 2015. The accreditation is an indication of standards of quality as set by the NAAC and valid for a period of five years from 16-11-2015.

VISION

To sustain our identity as a leader in maritime education through progressive innovation in training, research and development that will render a brilliant future for our students and a trans formative impact on the global society.

MISSION

To deliver technical knowledge and ethical values with uncompromising strides of excellence that will make our students employable, our faculty advance their knowledge, our staff achieve excellence and our alumni become global leaders.

QUALITY POLICY

AMET is committed to provide highest quality in education and be the most preferred institution for pursuing marine and marine related courses.

- Providing a conducive, vibrant, progressive and enriching learning atmosphere.
- Teaching Excellence and Research Output.
- Global outlook and engaging with the world through learning, teaching and research.
- Attracting the best and the brightest students.
- Providing competitive advantage in gaining employment for further academic opportunities.
- Maintaining excellent links with commerce and industry both national and international.
- Complying with all applicable requirements and continually improving the effectiveness of the Quality Management System.

Unless one is an intense, attentive aural learner, it is unlikely that one will be have a humble tongue..

RESEARCH PROGRAMMES

AMET offers **Ph.D. and M.Phil. Programmes** to the aspiring candidates serving in Educational Institutions / Industries / Research laboratories / Research Organizations etc. This center functions with full commitment towards Research and Development of societal importance with the enthusiasm to serve the community at large. Faculty members from various departments are working in the Sponsored research projects from many funding agencies.

Ph.D. Programme

The objective of Ph.D degree programme is to promote highly qualified researchers required for the expansion of fundamental knowledge and innovation through Research and Development. There are two categories of Ph.D programme:

Full–Time	-	Three years
Part-Time	-	Four years

M.Phil – Programme

M.Phil – Programme is offered on Full-Time & Part-Time basis in various disciplines.

Full Time	:	One Year
Part Time	:	Two Years

AMET Univerity offers Ph.D. and M.Phil. programmes in the following fields of research:

- i. Maritime Education
- ii. Marine Engineering
- iii. Nautical Science
- iv. Naval Architecture & Offshore Engineering
- v. Harbour and Ocean Engineering
- vi. Coastal Engineering
- vii. Coastal / Marine Management
- viii. Inland Water Studies
- ix. Estuarine Studies
- x. Petroleum engineering
- xi. Marine Electrical and Electronics Engineering
- xii. Mechanical Engineering

RESEARCH CENTRES

AMET has established **Two** Research Centres in Marine and Allied fields to develop R & D Activities in the campus. The Faculty and the students are permitted to carry out advanced level Research & Training in these Research Centres. Many research projects being carried out in this Research Centres.

1. **Centre for Maritime Information Services**
2. **Centre for Non-Destructive Evaluation**

International Research Journals published by University

Four International Research Journals have been published with 60% of the papers from International Authors with many International experts in the Editorial Board. These journals are published on Bi-Annual basis.

1. AMET International Journal of Management (AIJM)

INDIAN COAST GUARD AND AMET COLLABORATION SHORT TERM (TRAINING) COURSE

OPRC IMO Level – II Course

The OPRC IMO Level II course is an intensive 5-day course conforming to the IMO guidelines and fine-tuned to Indian Coastline and topography. The course is a comprehensive overview of each component, no less significant than the other, of its very title, viz Oil Pollution Preparedness, Response and Cooperation. The International Convention on Oil Pollution Preparedness, Response and Cooperation 1990, mandates that all stakeholders in the oil and allied Industries have responsible designated persons in their employ who are fully capable of appreciating the complexities involved in preventing, containing and mitigating the effects of an oil spill. It has developed three model training courses aimed at the following :-

Level 1 : First Responder

Level 2 : On Scene commanders and Supervisors

Level 3 : Senior Managers of oil spill response department/organisations

Immediate Objective of the Course:

- 1) To make the participant aware of his responsibilities and equip him with sufficient knowledge to understand the complexities in a spill response and to effectively lead a spill response team on scene.
- 2) To appreciate local sensitivities at various regions and effectively overcome any such mitigating factors through pre-planning and to finally effect a successful spill response.
- 3) To identify and garner support of other local and regulatory Agencies with different areas of expertise, deployment of equipments and efficiently coordinate a spill response.
- 4) To be able to build a local oil spill response strategy on the most probable case spill scenario.

Long Term Objective of the course:

- 1) To build a base of knowledge workers with sufficient expertise at strategic locations along the coastline.
- 2) Development of the local area objectives, response priorities, and logistics requirements.
- 3) Development of an oil spill response strategy for worst case spill in the local area.
- 4) Development of local oil spill planning committee processes.
- 5) Development of local oil spill response strategies for other areas within the country, promoting integration of these local strategies into the national contingency plan.

Certificate is issued jointly by the Indian Coast Guard and AMET under the Aegis of IMO.

Learning acquired once will
stand in good stead for seven births.

Academic and Administrative Audit (DNV - ISO Certification)

QUALITY MANAGEMENT SYSTEM

AMET has established, implemented and maintained a Quality Management System and aims to continually improve this QMS, including the processes needed and their interactions, in accordance with the requirements of the International Standard (ISO 9001:2015).

AMET is certified to ISO 9001:2015 QMS Standard by Det Norske Veritas for Design, Development and Conducting Maritime Training Courses, Programmes, Examinations and Assessments.

AMET has determined the processes needed for the quality management system and their application throughout AMET, and has:

- a) determined the inputs required and the outputs expected from these processes;
- b) determined the sequence and interaction of these processes; such as admission, course delivery, assessment etc.,
- c) determined and applied the criteria and methods (including monitoring, measurements and related performance indicators) needed to ensure the effective operation and control of these processes;
- d) determined the resources needed for these processes and ensured their availability;
- e) assigned the responsibilities and authorities for these processes;
- f) addressed the risks and opportunities as determined in accordance with the requirements of clause 6.1;
- g) evaluated these processes and implements any changes needed to ensure that these processes achieve their intended results;
- h) improved the processes and the Quality Management System.

To the extent necessary, AMET

- a) maintains documented information to support the operation of its processes;
- b) retains documented information to have confidence that the processes are being carried out as planned

PROF. V.B.S. RAJAN LIBRARY

The Central Library has been functioning in a separate building and the total area of the library is 21499.97 Sq.ft. The Library is named after Prof. V.B.S. RAJAN LIBRARY which was inaugurated by Mr. Efthimios E. Mitropoulos, Former Chancellor, AMET, Secretary General Emeritus, International Maritime Organisation (IMO) on 4th September, 2014. The Library has large collection of books with updated editions in different titles and volumes. The book collections are available in the field of Engineering and Technology including on Marine Engineering, Nautical Science, Management Studies, Information Technology, Marine Biotechnology, Naval Architecture, Harbour Engineering, Petroleum Engineering, Electrical and Electronics Engineering, Mechanical Engineering, Mathematics, Physics, Chemistry, English and General area of Studies.

FACILITIES

- Library Portals
- Knimbus remote access facility
- OPAC Facility
- Circulation Section
- Digital Knowledge Centre
- Reference Section
- Periodical section
- Thesis /Dissertation
- Back Volumes
- Faculty Publications
- Reprographic Facility
- Scanning and download Facility

LIBRARY AUTOMATION

The library uses the popular Autolib software on windows environment capable of handling of records. It facilitates online Public Access Catalogue (OPAC).

OPAC (Online Public Access Catalogue)

The Library has online Access facility to search the availability of the required document by the user. Search can be made of Author-wise, Title-wise, Subject-wise indexes and using keywords. The Advance Search provides with more specific search for a title with Boolean operators.

E-RESOURCES

The library has been subscribing to the following E-Resources

- IEEE
- ASME
- ASCE
- EBSCO
- DELNET Online

ACCESS CARD

The University provides with bar-coded Identity for all the student and staff members which can be utilized for borrowing library documents.

CONSULTATION CARD

The University has Institutional Membership with the following Institutions for further knowledge needs of the users

- British Council Library (BCL)
- American Council Library (ACL)
- MALIBNET
- Anna University Library

If one can restrain his five senses, like a tortoise that retreats into its single shell, it will be a protection through seven births.

VALUE ADDED SERVICES

In order to meet the contemporary needs of the Library users, the Central Library offers the following value added services;

- Reference Services and Referral Services
- Lending Services
- Bibliographic Services
- Reprography Services
- Selective Dissemination of Information-SDI
- Current Awareness Service
- Photo Copying Service
- News Paper - Clippings Service
- Article Indexing Service
- Institutional Repository
- Question Bank

DIGITAL KNOWLEDGE CENTRE

Library has a separate section for Digital Library to facilitate the access of electronic databases subscribed by the institution. The university subscribes to the following electronic database apart from the journals available on Open Access platform and AMET Course Study Material can be accessed respectively

DELNET

DELNET provides an array of facilities. DELNET'S relentless efforts in resource sharing have proved extremely effective. It has contributed lot towards the modernization of libraries in India.

AUDIO-VISUAL SECTION

Auto-visual section of the university library equipped with multimedia facilities. The Auto-video section provided with a colour television, DVD player and computer systems for effective and efficient utilization of national programme on Technology Enhanced learning (NPTEL) courses and the available Technical videos, CD ROM's etc.

WEB & VIDEO COURSE MATERIALS

National programme on Technology Enhanced learning (NPTEL) (Funded by ministry of Human Resource Development (MHRD), Government of India)

NPTEL provides E-learning through online Web and Video courses in Engineering, science and Humanities streams. The mission of NPTEL is to enhance the quality of engineering education in the country by providing free online courseware.

WEB PORTAL

Library Portals have been created recently (April 2015) in order to view our e-resources and other library details available in the library so that person from outside campus can also know our E-Resources through our university website. Viz. www.ametuniv.ac.in- These resources can be seen 24x7daysx365 days.

KNIMBUS

Knimbus (K=Knowledge + nimbus = Cloud) is a collaborative platform for researchers to discover and share knowledge with peers that provide single point search across publications and sources. Knimbus open helps researchers to find and access millions of journal articles, patents and E-books. Knimbus open is free product and the largest platform for open access content www.knimbus.com including Digital resources of AMET.

DEPARTMENT OF PHYSICAL EDUCATION

“A sound mind in a sound body” is always desired. Sports are vital to the holistic development of young people which foster their physical, social, emotional health and thus enhancing their life skills.

Sports provides a basis for social interaction and creates a sense of belonging to the society, given the benefits that sports can offer to the community. AMET is committed to invest in promotion and development of sports at all levels. The University is feeder channels from where outstanding sport persons should be able to emerge in future.

Physical Education is part of AMETian Curriculum. The Department of Physical Education is well equipped with modern infrastructure and conducting physical activities like Swimming, Basketball, Volleyball, Badminton, Table Tennis, Cricket, Kabaddi and Football etc. The Physical Education Department provides all kinds of assistance and great support for the cadets / Student's. Sports are in fact a way of life for the cadet's / students who are conscious of health fitness. Physical Education provides a learning experience, which offers a unique opportunity for problem – solving, self-expression, socialization and personality development.

AMETUNISPO is an intramural tournament conducted every year for the cadets / students in the month of December, in memory of Late Mr.G.Janakiraman, father of AMET Chancellor Dr.J.Ramachandran.

Department conducts physical fitness and swimming test with one credit for all courses, which is part of the curriculum.

AMET has become a member of AIU (Association of Indian Universities) since 2010 and the university teams have been participating in various inter university tournaments every year and brings laurels to AMET and organising National Level Tournament every year.

For the benefit of the Cadets and students Special Swimming Classes and Fitness Training (Gym) given under the supervision of well experienced Swimming coach and Gym Instructors and encouraging more extension activities to the community.

The stature of one, who doesn't diverge from the right path and remains restrained, will belittle a mountain.

DEPARTMENT OF SOFTSKILL & PLACEMENT

Department of Soft skill & Placement came into existence in January 2010, Considering the fact that during the last decades in society the perceived importance of soft skills has increased significantly. AMET has incorporated the department of soft skills into mainstream to fortify the skills & competency of the students.

Soft skills are personal attributes that enhance individuals' interaction effective and mainly deal with behavioral competencies of the students, Interpersonal skills, Effective Communication, Positive Thinking towards life and workplace, Conflict Management, Stress Management, Time Management, Leadership, Team Building, Job Performance and career prospects.

AMET COMMUNITY COLLEGE

The motto of Community College is "Educate Employ and Elevate". The educational activities are designed in line with the needs and demands of the ship building industries and community. The main objective of the college is to offer skill and job oriented course based on the perceived community demand for specific skill requirement. The college performs three major functions namely teaching, training and extension. It attempts to create a model of employment oriented education with the collaboration of various ship building and heavy engineering industries.

Community College offers the Marine Welding Courses

Course Code	Course Name	Duration	Level
MW1	Marine Structural Welding SMAW-4G (CS)	5 weeks	1.1
MW2	Marine Structural Welding GTAW & GMAW (CS, SS & AL)	2 weeks	1.2
MW3	Automatic Structural Welding GMAW-3G (CS)	2 weeks	1.3
MW4	Marine Pipe Welding SMAW-6G (CS)	2 months	2.1
MW5	Marine Pipe Welding GTAW+SMAW-6G(CS)	2 weeks	2.2
MW6	Marine Pipe Welding GTAW-6G (SS & ALLOYS)	2 weeks	2.3
MW7	Marine Pipe Welding GTAW+SMAW-6GR(CS)	3 weeks	2.4
MW8	International Welder Diploma (Approved by International Institute of Welding)	3 months	3.1
MW9	International Welding Specialist Diploma (Approved by International Institute of Welding)	3 months	3.2
MW10	International Diploma in Welding	6 months	3.3
MW11	International Diploma in Welding Technology	9 months	3.4
MW12	Underwater Welding Diploma	3 months	4.1
MF1	Marine Structural Steel Fitter	2 months	1.1
MF2	Marine Pipe Fitter & Fabricator	2 months	1.2

The greatness of one, who is wise and follows the right path
by being restrained, will be recognized and appreciated.

RAGGING BANNED

The University views ragging very seriously. The University is determined to prohibit, prevent and eliminate the scourge of ragging including any conduct whether by words spoken or written or by an act which has the effect of teasing or treating with rudeness a fresher student or indulging in indisciplined activities or which is likely to cause annoyance, hardship or psychological harm in any fresher or any other student or asking any student to do any act which such student will not in the ordinary course does and which as the effect of causing or generating a sense of shame or torment or embarrassment so as adversely affect the physique or psyche of such fresher student with or without an intent to derive a sadistic pleasure or showing off power/authority/superiority anywhere in the campus and thereby to provide a healthy physical and psychological development of all students.

The University campus encompasses all its departments' constituent units and all the premises, whether having academic, residential, playground, canteen or other such premises of the University, whether located within the campus or outside and to all means of transportation of students whether public or private, accessed by students for the pursuit of studies in the University.

Ragging constitutes one or more of the any of the following acts.

- Any conduct by any student or students whether by words spoken or written or by an act which as the effect of teasing, treating or handling with rudeness fresher/student.
- Indulging in indisciplined activities by any student or students which causes or is likely to cause annoyance, hardship, physical or psychological ham or to raise fear or apprehension thereof in any fresher/student.
- Asking any student to do any act which such student will not in the ordinary course does and which as the effect of causing or generating a sense of shame or torment or embarrassment so as adversely affect the physique or psyche of such fresher/student.
- Any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any student/fresher.
- Exploiting the services of a fresher/student for completing the academic tasks assigned to an individual or a group of students.
- Any act of financial extortion or forceful expenditure burden put on a fresher/student by students.
- Any act of physical abuse including all variants of it; Sexual abuse, homosexual assaults, striping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health or person.
- Any act or abuse by spoken words, emails, post, public insults which would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to fresher/student.

The students can approach the anti-ragging committee for reporting ragging related matters. The action for ragging will include in addition to suspension, expulsion of the guilty from the University and lodging of F.I.R with the police.

If the nobility of the noble does erode,
The vast earth cannot bear its load.

COURSE REGULATIONS

SEMESTER SYSTEM:

The University follows the Choice Based Credit System (CBCS) for all the programmes. An academic year consists of two semesters and each semester consists of 15 -18 weeks of Academic work equivalent to 90 teaching days. The semester system accelerates the teaching learning process and enables the students to improve their learning constantly. The CBCS Regulation – 2017 is followed with effect from the Academic Year 2017-18.

CHOICE BASED CREDIT SYSTEM:

The CBCS provides academic flexibility in designing curriculum with choices and assigning credits based on the course content and hours of teaching. It provides a “Cafeteria” type approach in which the students can take courses of their choice, learn at their own pace, undergo additional courses and acquire more than the required credits. Further it adopt an inter-disciplinary approach to learning. The salient feature of the CBCS programme is the inclusion of courses such as Core, Elective, Foundation, Skill Enhancement, Internship, Industrial Visit, Industrial Training, etc.

Core Course:

There are Core Courses in every semester. This is the course which is to be compulsorily studied by a student as a core requirement to complete the requirement of a programme in a said discipline of study

Elective Course:

Elective course is a course which can be chosen from a pool of subjects. It may by:

- Supportive to the discipline of study
- Providing an expanded scope
- Enabling an exposure to some other discipline/domain
- Nurturing student's proficiency/skill.

Foundation Course:

The Foundation courses are based upon the content that leads to Knowledge enhancement. They are mandatory for all disciplines.

Skill Enhancement Courses: It includes the courses that enable the students to interact effectively and harmoniously with the society. The skill enhancement includes Communication, team work, leadership quality, personality development, self-management, decision making, etc.

REQUIREMENTS TO COMPLETE A SEMESTER

Course Completion

A student is normally expected to complete the 4 years UG programme in 8 Semesters but in any case not more than 8 years (16 Semesters), 3 year UG/Diploma programmes in 6 Semester but in any case not more than 6 years (12 Semesters) and 2 year PG programmes in 4 Semester but in any case not more than 4 years (8 Semesters).

Of what use is being noble
If one can't do good unto those who did evil.

Attendance

1. It shall be the duty of each student to attend regularly and punctually all the periods on all working days.
2. Attendance will be taken at the beginning of each period.
3. Students coming to the class after prayer and after the faculty arrives will be marked absent for that period.
4. Attendance calculation will be based on periods.

DGS Cadets

In order to follow DGS statutory norms, considering that the course is residential, attendance shall normally be 100%. However the students with 90% attendance could write their examination. In exceptional cases, HOD may accept the attendance of 75% and above, if HOD is satisfied that the reason for shortfall is genuine and that the cadet's performance in course has been good. Such reasons shall be recorded and be available for inspection.

Non-DGS Students

1. A minimum of 75% attendance is required for students to appear for the semester examinations.
2. The candidates with less than 75% of Attendance will not be allowed to appear for end semester examinations and they can appear only in the next schedule of Examinations, subject to the approval of authorities. They are not eligible for any merit awards and related credentials.

Leave of Absence

1. All Day-scholars should submit a leave letter prior to availing leave to the respective Mentor for the day of absence, countersigned by parent/guardian which should be sent to HOD of the Department.
2. The hostel students should submit their leave application countersigned by the Hostel Warden/Deputy warden to the respective Mentor which should be sent to the HOD of the Department.
3. Every student who is absenting to the university for more than three days on Medical grounds should submit a Medical Certificate to the Mentor on the day of rejoining and which will be sent to HOD of the Department, with recommendation.

All the above kinds of leave come within the 25% of absenteeism in the attendance criteria including absence under medical condition.

4. Students who are representing the University in any tournament or contest or attending Conference/Seminar should obtain the prior permission of HOD and submit a letter to that effect from the concerned Faculty-in-charge. Students who fail to obtain the prior permission of the HOD will be marked absent for the period of participation.

The mark of nobility, if you ask,
Is to concede with grace, defeat by the underdog.

EXAMINATION

Assessment of student performance will be carried out through a combination of Continuous Internal Assessment and End Semester Examinations. In general, the weightage for Continuous Internal Assessment is 40% and End Semester Examinations is 60%.

REGISTRATION

The students should register themselves for all the regular papers prescribed in each Semester as well as the arrear papers by paying the required fees.

Continuous Internal Assessment:

Continuous Assessment is to be done internally by the concerned faculty member. The weightage assigned to continuous assessment is 40 percent and its components are follows:

Pattern of Internal Marks Component

- The internal Assessment test I & II, question paper setting and assessment are to be left to the faculty who handles the particular subject.
- The test dates around 8 to 10 days window period during which the test has to be conducted.
- The test paper has to be evaluated and marks to be submitted through the HOD to the Controller of Examination within specified date along with the signature of students.
- Third test is a Model Examination to be held as University End Semester pattern and to be conducted by the Controller of Examinations, preferably 30 days after the II Test. Paper setting and evaluation can be done internally.

The Continuous Internal Assessment marks for all the theory papers will be 40 which shall be apportioned as follows:

CIA Test I	- 5 marks
CIA Test II	- 5 marks
Model Examination	- 20 marks
Assignment for UG /Diploma	
Seminar / Assignment for PG programmes	- 5 marks
Attendance	- 5 marks
Total	- 40 Marks

The Continuous assessment is a permanent component which will be carried forward for Arrear Examinations also.

QUESTION PAPER PATTERN

The question paper pattern from 2017-2018 onwards for all the courses –

Section A – Answer all questions (10 Questions)	10 x 2 = 20 marks
Section B - Answer any 5 questions out of 8 questions	5 x 6 = 30 marks
Section C - Answer all questions (Either/OR pattern)	5 x 10 = 50 marks
Total	= 100 marks

However, some special and unique subjects in Harbour and Ocean Engineering, Naval Architecture, Information Technology and Nautical Sciences have different question paper pattern.

Humility is the vital capability of the capable:
To convert foes, the weapon of the noble.

PASSING REQUIREMENTS

The Passing requirement for a student in a course is determined statistically based on the analysis of the marks obtained both in Continuous Internal Assessment (CIA) and End Semester Examinations (ESE).

ARREAR EXAMINATION

Arrear Examinations will be conducted twice in a year i.e., each one in the months of November-December and April-May along with the regular Semester Examinations.

Passing criteria for B.Sc. – Nautical Science (Pass Percentage of Courses as per DG Norms)

	Continuous Assessment minimum	End Semester minimum	Overall passing
Theory	NIL	35% (21 out of 60 marks)	40 % in CIA and ESE together
		45% (27 out of 60 marks)	50 % in CIA and ESE together

Students will be permitted to appear for their arrear papers irrespective of such arrear paper being of Odd or Even Semesters. They have to register for all the arrear papers by paying the required fees.

Course completed students who wish to appear for their arrear papers (i.e. those who appear for the examination after the completion of their course of study) have to pay a Registration fee of Rs.2500/- apart from the prescribed examination fee of Rs.1000/- per paper.

SPECIAL EXAMINATIONS

After publication of results of final Semester Examinations, Instant Examination will be conducted for final year students within a week time for the candidates who have only two papers as arrears in the final semester.

REVALUATION

If any student prefers to go for revaluation, he/she can apply for the same by remitting the revaluation fee of Rs.400/- per paper.

PROVISIONS FOR REVALUATIONS

- Students are entitled to apply for revaluation of answer scripts by paying prescribed fee
- Students can also get the photocopy of the answer scripts (first valuation only) by paying prescribed fee
- If the difference between the revaluation mark and the first valuation mark is more than 10 marks, then the answer sheet will be evaluated by the third examiner, which will be taken as final
- Revaluation is not permitted for laboratory course / Mini project / Project work
- To appear for Laboratory arrear examination, the student should complete minimum required experiments which will be recommended by the Head of the Department.

CLASSIFICATION OF THE DEGREE AWARDED

Following classification is made during the award of the degree

CGPA	CLASSIFICATION
First class with exemplary	CGPA of not less than 9.0 in the first appearance
First class with distinction	CGPA of not less than 7.5 but below 8.9 in the first appearance
First Class	CGPA of not less than 6.0 within the stipulated period
Second Class	CGPA below 6.0 within the stipulated period

The classification First Class – Exemplary and First Class with Distinction will be awarded only for those candidates who have passed all the subjects in the first appearance as per the scheme of examinations. Other students completing through arrear examinations will be placed either in First Class or Second Class based on their marks.

The virtue of the ascetic is to not kill any being;
The virtue of the noble is to never resort to blaming.
