

Dear Students,

I hope you and your family members are fine and safe amidst this COVID 19 pandemic. Hope you must be knowing that the University has scheduled online examinations for all the students in a phased manner from 10th July 2020 onwards (For final year non DGS students only. The schedule for other students will be intimated shortly). You will be intimated shortly about the examination fee and other dues to be cleared before the examinations.

In this regard, the Management of the University has considered the financial crisis of the students and their parents in the lock down period due to COVID 19 pandemic. Hence it is decided to provide the following concessions for the pre final year students alone towards fee payment.

1. **Hostel students** will be provided with **Rs 10000** fee reductions from their total fee and examination fee
2. **Day scholars who are coming in University Buses** will also be provided with **Rs 5000** fee reductions from their total fee and examination fee

You will be notified shortly about the applicable examination and other fee after deducting the applicable fee reduction/concession. It is sufficient that you shall only pay the amount that has been notified to you.

I wish you all the best for your forth coming examinations. I also urge you to be ready for the online classes of next academic year which will be commenced immediately after the completion of online examinations.

Vice Chancellor

1. The fee concession/reduction is applicable to only those who have fully paid hostel fee and transportation fee
2. The applicable concession will be adjusted with the examination fee of this semester and tuition fee of the next semester to the eligible students (students other than the final year)
3. For final year students those who have paid full hostel fee or transportation fee, they are requested to send the details of their roll no, year and course studying, payment receipts and bank account details to accounts@ametuniv.ac.in for getting applicable refund amount.
