

EXTENSION AND OUTREACH ACTIVITIES

Extension activities are conducted regularly which include

- ❖ Spreading of Engineering Education among the local community,
- ❖ Electrical Safety Awareness Programs,
- ❖ Maintenance and repair of Electrical Equipment,
- ❖ Rallies to promulgate the message of pollution free society and electrification of less privileged schools
- ❖ Community Development programs are also conducted regularly to equip the local community with basic practical knowledge in Electrical Engineering.

Community Development Programs are conducted on topics like mobile service, motor winding repair, house wiring by EEE-M Faculty.
