**VALUE ADDED COURSE**  
**ACADEMIC YEAR -2017-18**

**PRIMAVERA P6 PROFESSIONAL  
FUNDAMENTALS**

This training course provides the fundamentals of Primavera P6 Professional as used in engineering and construction. Because P6 is typically used as a stand-alone and often mobile system in this industry, we have created a course that bypasses the multi-user, enterprise functionality and cuts directly to what is needed to build and manage a robust construction/engineering schedule.

**Course Offered by:** Infinity PMC Pvt Ltd.

**Course Co-coordinator:**

Mr. Anand Ramamurthy  
**Instructor:** Mr. Srinivasan, Mr. Shankar

**ELIGIBILITY:**

Knowledge of project management principles
