Dear Sir,

Sub: Blood Donation Camp Conducted on 13<sup>th</sup> of February 2016.

We are extremely grateful to you and wish to place on record your efforts in organizing a blood donation Camp with excellent arrangements at ~~Ames Nandiyam~~ Chennai.

We were able to collect 350 units, which are being issued to needy patients who will require transfusions to save their lives or recover from illness. We thank all the donors for their Selfless gift of Blood, which will save lives of many in the city of Chennai.

We profusely thank you, the Donors, The Leo Club of AMET, and also The Lions Club of Thiruvanniyur, Dist.324.A.1. for the excellent Cooperation, they have created to motivate the donors. These blood units will be separated into various components and subjected to many lab tests before they are issued to needy person.

We are sure you would know that there is a national shortage of blood and only half the required units are donated by voluntary donors. Therefore we request you to kindly motivate people to donate once in every three months. We also look forward that you would conduct camps regularly in the future at quarterly intervals.

The society will owe you a great deal for every donation. Any one between 18 and 65 can be motivated to donate blood. We look forward for your continued association with Lions Blood Bank and thank you once again for the priceless gift you have given to society.

Enclosed are the Blood Group ID Cards, which may be used by the donors to track his donation details at any point of time at our blood bank. The cards may kindly be distributed to the respective blood donors.

With Warm Regards  
For Lions Blood Bank & Research Foundation.
