MEMORANDUM OF UNDERSTANDING

Between

**ACADEMY OF MARITIME EDUCATION AND TRAINING
AMET**

(Declared as Deemed to be University Under Sec 3 of UGC act 1956)

&

**CENTRE FOR SOCIAL INNOVATION &
ENTREPRENEURSHIP, IIT Madras, CHENNAI**

This MEMORANDUM OF UNDERSTANDING (hereinafter called THE MOU) is entered into on this date, Oct 9, 2015 between **ACADEMY OF MARITIME EDUCATION AND TRAINING**, (Declared as Deemed to be University Under Sec 3 of UGC act 1956), situated at 135, East Coast Road, Kanathur, Chennai: 603112 (hereinafter called 'AMET') and Centre For Social Innovation & Entrepreneurship, IIT Madras, Chennai, having its registered office at 301 A, Second Floor, Department of Management Studies, IIT Madras, CHENNAI - 600 036, (hereinafter called 'CSIE').

AMET and CSIE agree to undertake a series of mutually beneficial activities under this MOU. The areas of collaboration are broadly listed in this MOU, while the specific details with reference to each activity shall be worked out at the time of actual activity.

1. Sharing Resources:

CSIE and AMET agree to share their information, knowledge, experience, infrastructure facilities, organization of conferences and workshops on entrepreneurship development and Innovation, faculty development programmes, and student development programmes.

2. Modular Courses :

CSIE shall arrange to provide Modular courses - Short-term certificate courses on entrepreneurship development to AMET's students and utilize them for periods prescribed by the University in consultation with CSIE.

&

CENTRE FOR SOCIAL INNOVATION &
ENTREPRENEURSHIP, IIT Madras, CHENNAI

3. Consultancy services for Incubator Set up:

AMET shall requisition the expertise of CSIE for establishing the Technology Business Incubator (TBI) at AMET as CSIE has the expertise. AMET shall also request for the services of experts available at CSIE for handholding support during the first year of TBI operation and any cost for consultancy will be worked as a separate proposal according to the nature of assignment and will form an annexure to the MoU.

4. Knowledge partner for events

The students of AMET may be deputed to the events conducted by CSIE for participation and extending their services as volunteers and also learning in the process.

5. The CSIE may organise contests, seminars and conference on social entrepreneurship at AMET for the learning of both the students and faculty.

6. Through this MOU, both AMET and CSIE affirm their commitment to develop a mutually enriching relationship.

7. The purpose of this MOU is only to explore & express the Intentions of the parties and does not have legal implications.

8. Both AMET and CSIE recognize that this MOU is not exclusive to either of the parties in that it does not preclude either party from having similar MOUs with other institutions.

Discussion with
VC before now

TECHNOLOGY BUSINESS INCUBATOR (TBI)

Minutes of the meeting held with Vice Chancellor on 15-7-2015 at 11 am

Members present :

Vice Chancellor – AMET University

Registrar – AMET University

Mr. James – Project consultant (Out Reach programs to other colleges and schools in the field of social entrepreneurship), IIT Madras(IIT-M) – CSIE

Ms. K. Vijayalakshmi – Project Officer, IIT Madras – CSIE

Ms. Annie Sam – Asst. Professor, AMET Business School.

A discussion was initiated by Vice Chancellor about the contribution of IIT-M towards establishing Technology Business Incubator(TBI) in AMET University.

Mr. James shared the following about the Centre for Social Innovation and Entrepreneurship (CSIE) IIT-M

- Started 5 years ago
- Initially involved only in Education, now also concentrating on out-reach activities in order to replicate the innovation centre which is at IITM.
- The innovation centre functions in various forms as entrepreneurship forum, conduct courses, develop leadership by way of mentoring through the alumni, establishing incubators in engineering colleges etc.
- To promote research through the Research Park in IIT-M which is the only park in India.
- To promote entrepreneurship, they organize entrepreneurship awareness camp, idea competitions, Business Plan competitions, Certificate courses etc.

Brief discussion was held to work together with IIT-M towards promoting entrepreneurship culture among the students and staff of AMET University. Also to work towards establishing TBI at AMET University.

Vice Chancellor decided to meet Dr. H.K. Mittal, Secretary of NSTED at Delhi in the near future to find the possibility of getting the TBI at AMET University as the university is into unique specialization.

ACADEMY OF MARITIME EDUCATION AND TRAINING
(Deemed to be University u/s 3 of UGC Act. 1956)
135, East Coast Road,
Kanathur - 603 112, Chennai, India.

A minimum of 3000 square feet space with few computers, LAN networking and other required testing equipments pertaining to marine can be shown as the committed space for the TBI to start with was decided

The discussion was concluded on the following points

- To organize an Entrepreneurship Awareness Camp by August/September 2015 based on the convenience of the resource person at IIT-M
- To allow participation of AMET students in the IDEA SPARK event organized by IIT-M in August 2015
- To organize an IDEA generation event/ competition exclusively for AMET university.
- To start working for the TBI proposal preparation looking in to the thrust areas as.
 1. Logistics efficiency
 2. Sailors effectiveness
 3. Harbor management
 4. Application software development on port management
 5. Any labor management efficiency idea implementation etc.
- To conduct a certificate course for AMET students on Entrepreneurship Development (the name of the course to be decided)
- In order to work together with IIT-M, a mail to be sent from AMET University to further proceed towards an agreement or MOU.
- Mail to be sent to csie@iitm.ac.in, jraj0508@gmail.com

Report on the Introductory session on IDEA SPARK- 2015

get event in
AMET

200 students

Session detail

Date : 2-9-2015
Time : 3 pm
Venue : Dr. Janakiraman Auditorium
Title of the session : Innovation through IDEA Generation
Resource Person : Mr. James Rajanayagam, Project Consultant
Centre for Social Innovation and Entrepreneurship (CSIE)
IIT Madras.

Agenda for the Program

Welcome Address : Mr. Surya, II MBA Student
Session : By Mr. R. James
Concluding Remarks : Mrs. Annie Sam
Vote Of Thanks : Ms. Jyothirmai, III B.Sc Nautical Science Student.

The Janikiraman Auditorium was filled with students by 3.p.m with representation from most of the departments of AMET University . There were maximum representation from BE Marine Engineering, HND, B. Sc Nautical Science and MBA.

The session gave a brief about INNOVATION with the brief history on the previous innovators. The session also gave various insights about the social innovators and technical innovators with additional input on developing new ideas for the society's welfare.

Students asked few questions and Mr. James concluded with the note about IDEA SPARK -2015 and about the inclusion of AMET University as a participant for this year.

Later Mrs. Annie Sam gave a brief on the content discussed by Mr. James and motivated the students to bring their idea as an abstract to be logged in the IDEA SPARK website. The other student co-ordinators were also introduced to the gathered students.

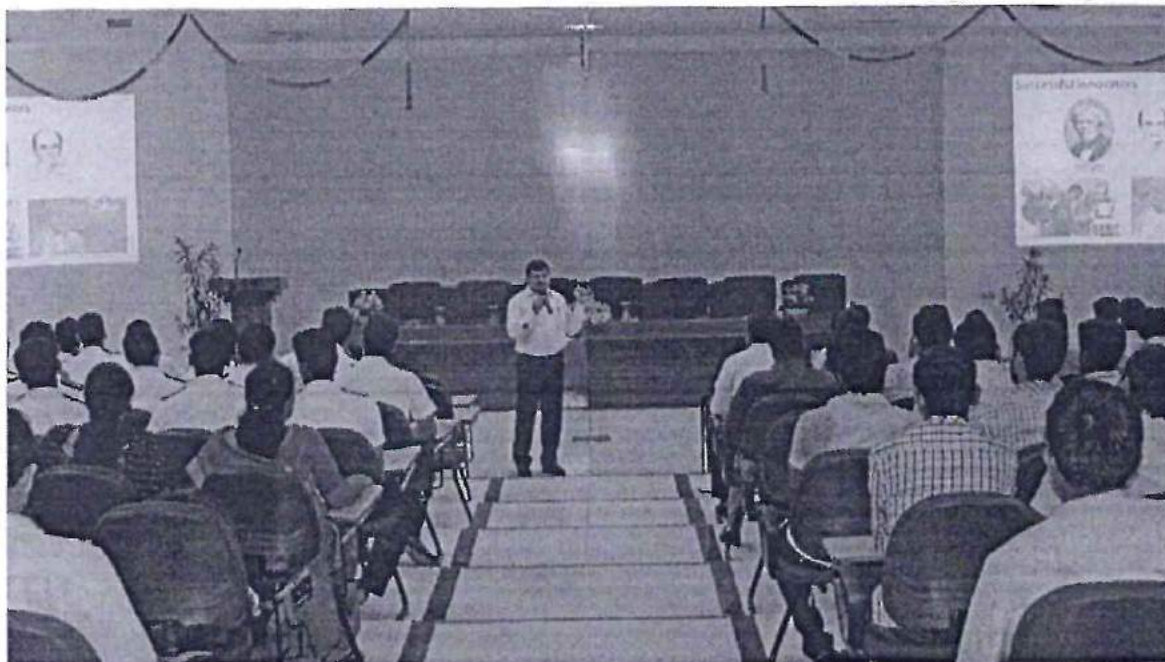

Students from Naval Architecture showed keen interest towards innovation. The session came to a end at 4.15 pm.

We discussed on the MOU to be signed with CSIE, IIT MADRAS inorder to proceed further into the projects which are already identified in the areas of fisheries and aqua culture (thrust area of research by Mr. R.Karthick, Ph. D Research Scholar, Department of Marine Biotechnology). Mr. James agreed to do the procedure within a weeks' time.

The session arrangements were well co-ordinated by Mr. R.Karthick, Ph.D Research Scholar, Department of Marine Biotechnology.

Dear colleagues,

This is: Idea Spark 2015/Finals. Kindly pass the information to finalists.

Dear finalists,

Kindly note that the details of the Idea Spark 2015 finals are mentioned below:

- 1) When: Thursday, 28 Jan 2016, 1000 am - 0100 pm followed by lunch & announcement of winners
- 2) Where: Central Lecture Theatre (CLT), IIT Madras
- 3) Kindly be present by 0900 am to register your names.

Check list

- 1) As there are 27 ideas, please send us your ppt to this email id prior to the event so that we can upload and be ready.
- 2) You are free to bring any workable prototypes. We would like to bring to your attention that if you have large prototypes, they will require gatepass and hence delay the event. Hence, in such cases, you can make short videos.
- 3) Each participant team will get max. 7 mins. It is advised that 1 member from each team present the idea.
- 4) Please address the following points only: Problem (1 slide: 1-2 bullet points), your solution (1 slide) and what you plan to do (1 slide). Do not make more than 3 slides. Have 1 slide at the beginning with your details (name of the team leader, college, title of the idea)
- 5) The idea will be evaluated based on the following criteria: a) innovativeness, b) social impact, c) your commitment to take it further based on your plans.
- 6) The decision of the jury will be final.
- 7) All the finalists will receive certificates of participation. Winners will get cash awards.
- 8) As we will be running with tight schedule, your cooperation is highly appreciated.
- 9) You may contact the undersigned or Vijayalakshmi (9750224196) or Vidhiya (9942237373) for any clarification.

Dear colleagues,

Kindly inform the finalists from your respective colleges to send their ppts to me by Tuesday evening.

We require this to compile, generate unique numbers for your order of presentations and upload them in the system for final presentation during the pitch session.

All of the finalists are required to come prepared, focused in their pitch. As you all know, there are 27 finalists in 3 hours.

For those of you who bring prototypes, it can be kept outside the hall for demonstration to the jury.

Once again, I request the finalists to send their ppts by Tuesday evening.

Thanks for your support and best wishes!

Dear Karthick,,

Greetings to you.

Hope the team members have prepared well for the presentation. Kindly get the presentation viewed by a senior staff of the respective department or Captain Kartick/ Commander Varma (as they are aware of the projects) before you forward to IIT Madras.

I Wish the team members Good luck. And we are proud of you for taking AMET for the grand finale.

Kindly get formal permission for attending IDEA SPARK- 2015-FINALS

Please take atleast 3 Junior students as viewers so that they can co-ordinate such programs in future.

Thank you and look forward to you full co-operation in my absence for the successful participation of AMET TEAMS.

Regards

Annie Sam

MoU Activity
Workshop on Mind Engineering
25th January 2020 (Saturday)

A workshop was conducted on 25th January 2020 (Saturday) on Mind Engineering to 1 year MBA students in DNV Hall-II by the Chennai Port Dy.Chairman namely Mr.Cyril George.

Mind Engineering - A Process of Elevating Level of Awareness. Mind Engineering is for

- Love, peace and joy in life
- Problem and conflict free life
- Freedom from mental stress and pain
- Developing personality to its full potential
- Spiritual awakening and development
- Raising the level of awareness and consciousness
- Healthy body and mind
- Excellence in every aspect of life
- Enhancing efficiency and performance
- Conflict free interaction
- Realizing full potential of mind
- Developing an innovative and creative mind
- Resolving emotional problems and conflict

We all experience different kinds of mental agonies (mental pain) in daily life; only intensity and extent vary. Therefore, Bhudha said 'Dhukka' (misery) is the basic feeling and state of mind of human beings.

We have taken pain (denotes mental pain) as part and parcel of our daily life or part of normal life. Many people may be willing to spend any amount of money or any amount of efforts if they can have life without pain. ? This is the solution everybody is seeking during the entire life so that peace and joy can be achieved and experienced.

Pain also means absence of happiness or joy. Pain appears in different forms – mild or intense like uneasiness, mood off, boring, hurt, anger, tension, stress, fear, anxiety etc. In that sense every negative emotion is a form of pain. When we look at ourselves closely, we will realize that some of these negative emotions are there always with ourselves. It means, most of the time, we are experiencing some form of mental pain which in turn means most of the time we are unhappy. As this is common to all in different degrees people take it granted as natural which is untrue.

If we ask somebody, what is the goal of life, almost all will answer directly or indirectly which indicates 'happiness' as the goal.

How do we achieve the goal of being happy? By earning more money or, higher positions or through achievements of material possessions?

Have you seen anybody fully happy or contented after having achieved these things? In many cases, on achieving these goals, problems increase and thereby pain!

It reveals us the truth that happiness is not something to be achieved through something or one cannot become truly happy when some conditions are met with. True happiness is a state within us which is manifested or experienced only in the absence of pain and when you are fully PRESENT. As the intention of this passage is to address the pain aspect, we will concentrate more on it. We have seen that presence of pain means absence of happiness like presence of darkness means absence of light. To put in a different way, when we are fully present, there is no pain or problem.

When somebody talks about a state of mind or life with no pain or problem, it is hard to believe or accept. Many discard it as theoretical or not practical.

Pain has become unavoidable part and parcel of our daily lives, so we even do not see it as a distant possibility.

In other words, we can say that when we are fully conscious or present, there is no pain, which means absence of consciousness or our unconsciousness or lack of spiritual awakening and development is the cause of our pain. Little hard to believe??

Let us look more closely, is it our unconsciousness or in simple terms our foolishness, causing our pain?

Again difficult to digest; then how come the so called intelligent people are having probably more stress and pain in life.?

The truth is, the level of intelligence or education or social position is not bringing in corresponding level of self-consciousness and thereby happiness. Therefore, there is a trend of increasing stress related problems with these groups.

The root cause of pain is lack of awareness and consciousness. There are innumerable programmes and solutions available in the public domain offering solution to control and manage pain; but not addressing it at the root level or not insulating people from stress or pain and hence not sustainable.

Pain is created because of the typical pattern of thinking, feeling and emotionally reacting as learned from the childhood and life situations, which can be called as a programmed mind.

To put in simple examples, suppose in a train journey somebody calls by abusive word and you feel hurt and angry. Then you realize that he is mad parson. Your anger and hurts fades away. Or you are hurt by a stone thrown by somebody, you get angry and infuriated. When you come to know it was by mistake by a three year old child you come back to normal state quickly and smile. Or you are suffocated and pained in fairy dream, and while woken up and realized it's a dream, smile comes on your face.

The truth is that the pain is mitigated or resolved and you are back to a state on mental equilibrium when there is a higher level of awareness and consciousness.

In short a higher level of awareness and consciousness achieved through spiritual development is the only solution for sustainable transformation and to be free of pain in life and this passage is an attempt in this direction through a process of MIND ENGINEERING.

As a part of mind reengineering process it is required to have close look inside and become aware of various wrong beliefs which cause our pain.

A state Transformation and Freedom from Pain is achieved when one becomes aware of it, experiences and starts living in this state of conscious awareness. Therefore re-reading and meditation with open mind are advised in the case of some readers until one achieves a state of conviction and higher level of consciousness. Given below are important state of unconsciousness and steps to elevate the level of awareness and consciousness.

Memorandum of Understanding

between

THE BOARD OF MANAGEMENT OF CITY of GLASGOW COLLEGE, established under the Further and Higher Education (Scotland) Act 1992 and having its principal office at 60 North Hanover Street, Glasgow G1 2BP (hereinafter referred to as "COGC")

AMET UNIVERSITY, an Institute incorporated in India and having its Registered Office at 135 East Coast Road, Kanathur, 603112, India, (hereinafter referred to as AMET UNIVERSITY) for an approved "6+6", course programme delivering the Scottish Qualifications Authority (SQA) Higher National Certificate (HNC) in Nautical Studies and leading to UK Merchant Navy Certification.

The Agreement will cover the entire 6+6 Rating to Officer Training programme, up to the point of the Ratings appearing for the Officer of the Watch (OOW) examinations at City of Glasgow College.

AMET UNIVERSITY, will deliver the first 6 months of the foundation programme and elements of HNC as an outreach centre of City of Glasgow College. City of Glasgow College will deliver the last six months of the programme in Glasgow prior to OOW certification.

NOW THEREFORE IT IS HEREBY AGREED AS FOLLOWS:

Definitions and Interpretation

In this Memorandum of Understanding (MOU), unless the context otherwise requires:-

the following words and expressions shall have the following meanings respectively attributed to them:

"6+6 Programme"

means a training programme as described below, which is approved by the UK Maritime and Coastguard Agency and consists of the following:

- a) Foundation programme and some elements of HNC at AMET UNIVERSITY. (PART 1)
- b) Final 6 months at COGC during which time the delivery of HNC units and STCW ancillary courses will be completed. (PART 2)

Upon successful completion of the 6+6 programme COGC will issue all necessary certificates required for obtaining a UK Certificate of Competency at OOW level.

"Academic Staff"

staff solely employed at AMET UNIVERSITY for the purpose of delivering and/or supporting education and training

"Courses"

means the academic courses to be run at AMET UNIVERSITY in respect of which COGC will provide support and verification

the QMS system, COGC are to be considered the body responsible for External Verification of the programme during the first six months at AMET UNIVERSITY.

- 1.4 The QMS system in operation at AMET UNIVERSITY during the first six months shall be identical to the QMS operating at COGC as per the COGC quality manual.
- 1.5 In conjunction with the MCA and AMET UNIVERSITY, if required COGC may arrange for an MCA representative to inspect AMET UNIVERSITY in order to maintain MCA approval of the "6+6" programme.
- 1.6 Approval to operate "6+6" the programme may be withdrawn under the following circumstances:
 - a) There is clear evidence that the programme is not being delivered effectively.
 - b) The procedures laid out in this MOU are not being followed.
 - c) The national administration withdraws approval from AMET UNIVERSITY for whatever reason.
 - d) Substantial changes in technology or legislation require the programme to be reapproved.

2.0 TRAINEE ENROLMENT

- 2.1 Trainee numbers enrolling onto PART 1 of this programme at AMET UNIVERSITY will be agreed by both parties prior to the normal enrolment dates for new sessions on an annual basis. Any intention to deviate from agreed numbers must be communicated to COGC immediately.
- 2.2 Trainee details for each cohort should be forwarded to COGC within 7 days of enrolment so that trainees can be entered into COGC's Management Information System (MIS).
- 2.3 AMET UNIVERSITY are responsible for ensuring that all prospective trainees meet the following academic criteria, which

are considered to be equivalent to the UK Rating to OOW entry requirements. (4 National Courses at SCQF Level 5 in English, Maths a Science-based subject or equivalent overseas qualification) Trainees applying with other qualifications, or in cases where clarification is required, should be referred to COGC prior to enrolment.

- 2.4 AMET UNIVERSITY is responsible for ensuring that all prospective trainees comply with current international standards with regard to the seafarers medical standards.
- 2.5 On enrolment AMET UNIVERSITY staff will issue appropriate guidance to all trainees to ensure that all are fully aware of the details and requirements of the 6+6 programme, and all trainees must be given a clear career schedule.

3.0 COURSE STRUCTURE

- 3.1 Details of the course structure are contained in the Annex 1. Any changes to this structure must be communicated to the MCA prior to taking effect, in order to maintain programme approval. Where a change is proposed by either party to this agreement such change shall be communicated in writing at least three months in advance of the proposed date.
- 3.2 Changes will take effect simultaneously in both AMET UNIVERSITY and COGC
- 3.3 AMET UNIVERSITY senior management will set up a course committee or equivalent body to coordinate and oversee the delivery of the first 6 months and associated STCW short courses.
- 3.4 AMET UNIVERSITY will appoint a central contact and all correspondence should be channelled through said person.
- 3.5 COGC will appoint an equivalent contact person in Glasgow.

- 3.6 AMET UNIVERSITY to provide an up to date staff list including CV's and staff changes should be notified to COGC in a timeous manner.
- 3.7 Meetings with the course committee and COGC academic staff will take place during each verification visit, to allow open discussions of all issues encountered since the previous visit.

4.0 COURSE DELIVERY

- 4.1 All course delivery should be carried out on AMET UNIVERSITY premises, except where delivery of STCW course dictate otherwise. Any deviation from the above should be agreed with COGC in advance.
- 4.2 The delivery pattern of the units should follow the agreed teaching plan discussed during previous verification visits. Proposed changes to this programme should be communicated to COGC at the earliest opportunity.
- 4.3 All course materials must be appropriate to the, "Learning Outcomes" and "Evidence Requirements", contained within the individual SQA unit descriptors.
- 4.4 All assessment instruments will be based on the teaching/learning materials supplied by COGC. If supplemental teaching materials are used, the course committee should ensure that these meet the COGC requirements.

5.0 COURSE ASSESSMENT

- 5.1 The Instruments of Assessment used throughout the course will be those supplied by COGC, where not available, Instruments of

Assessment may be prepared by AMET UNIVERSITY staff, but must be approved by the appropriate cognate group at COGC, before being used for trainee assessment.

- 5.2 All Instruments of Assessment must be stored and handled as described in the "Operation and Security Procedure for the use of SQA Instruments of Assessment".
- 5.3 ALL trainee assessment scripts for foundation programme must be initially marked by AMET UNIVERSITY staff and then be retained for verification by COGC staff.
- 5.4 ALL trainee assessment scripts for HNC programme must be marked and verified by COGC staff only.
- 5.5 Results of all assessments should be forwarded to COGC within two weeks of an assessment taking place.
- 5.6 A total of at least two different instruments of assessment will be supplied by COGC for each assessment to allow trainees a maximum of one opportunity to re-sit unsuccessful assessments.
- 5.7 The course committee will be responsible for ensuring that all units are internally verified and records of verification retained for inspection by COGC staff.
- 5.8 Trainee appeals against any aspect of the above procedures or their implementation must be referred to the appropriate cognate group within COGC for consideration. This should be done as soon as possible and not left to the end of the academic session.
- 5.9 Any new assessments written and implemented by COGC will be forwarded to the named contact at AMET UNIVERSITY.
- 5.10 Details of any changes made to AMET UNIVERSITY assessments due to the Internal Moderation undertaken by COGC will be returned to AMET UNIVERSITY for staff development purposes.
- 5.11 Since SQA quality procedures are such that identification of any deficiency within a cognate group results in rejection of all

assessments within the cognate group, COGC retains the right to exclude any AMET UNIVERSITY material which the COGC internal verification system considers sub-standard. If necessary COGC will deliver any, "substandard units", in the following six month at additional cost.

N.B. The above safeguard is intended to protect the existing COGC operation although it should be stressed that the use of COGC "Instruments of Assessment" and teaching materials considerably reduces the possibility of quality problems arising.

6.0 PROGRESSION TO PART 2

- 6.1 Trainees who have completed the foundation programme and passed the foundation exam and HNC unit exam of units delivered at AMET UNIVERSITY will be deemed to have met the academic requirements for progression to part 2 in COGC.
- 6.2 Candidates who are not successful should be discussed by the course committee in AMET UNIVERSITY and the appropriate course committee at COGC contacted for advice on how to proceed. It may be appropriate in some cases to allow for additional remediation at AMET UNIVERSITY and attempting to join the following year's cohort of trainees. All final decisions in any such cases will rest solely with COGC.
- 6.3 Trainee course fees should be paid in full to COGC prior to the commencement of the Part 2 of this programme, as per the course fees schedule, which will be issued to AMET UNIVERSITY in February of each year.
- 6.4 Trainees will be issued a visitor visa letter only after the college has received payment of the course fees
- 6.5 Trainee fees and other charges such as Professional services will be determined and agreed annually. Normally agreement

will be reached during February of each year to become valid from 1st August to the following 31st July.

- 6.6 Trainees who successfully complete Part 1 of this programme at AMET UNIVERSITY will automatically be accepted to the Part 2 at COGC, subject to meeting all UKVI requirements.
- 6.7 AMET UNIVERSITY shall assist trainees in completing all visa formalities prior to the end of the academic session. It shall be the trainee's responsibility to obtain all the necessary documentation for the visa application.
- 6.8 AMET UNIVERSITY will forward to COGC the following trainee details;

Scanned copy of the School leaving certificate including the name of the exam board and scanned copy of passport.

7.0 PART 2 COURSE at COGC

- 7.1 Subject to demand and availability of staff and resources COGC will initially offer 1 course per academic year, starting in Jan.
- 7.2 The administration of the programme is under the supervision of the Curriculum Head of the School of Nautical Studies. This is supported at an operational level by the Senior Lecturers who act as Course Team Leaders for the marine student group as a whole.
- 7.3 On arrival at the college all students will undergo the same induction process as all other students.
- 7.4 There is a strong taught element at the beginning of this course, reducing as the course and the student's independence of learning develops. Students are enrolled onto the course by a dedicated Class tutor, responsible directly to the Course Team

Leader, who acts as the daily contact for students should they require assistance.

- 7.5 Trainees will be enrolled onto the college management information system as soon as possible to allow access to electronic and library resources and internet accounts.
- 7.6 The course content will be as that indicated in Annexe 1 and all trainees will be able to access their timetables on the college network system.
- 7.7 Whilst at COGC trainees must meet the attendance requirements of the UKVI.
- 7.8 All trainees will be encouraged to engage in the colleges self evaluation procedures and be given the opportunity to reflect on the course via the Class rep System and the Curriculum Action Development Meetings. (CADM)
- 7.9 All trainees will be allocated dedicated class tutor and course leader on enrolment.

8.0 GENERAL CRITERIA

- 8.1 All material provided by COGC will be treated as being confidential and not distributed to any person or organisation not connected with AMET UNIVERSITY or used for any purpose other than the delivery of the programme covered by this MOU
- 8.2 This MOU is valid for a period of 5 years, subject to annual reviews. The five year period is to coincide with the need to obtain MCA programme re-approval every five years.
- 8.3 Annual reviews should take place prior to the 1st anniversary of the signing of the MOU and thereafter at 12 monthly intervals.

APPENDIX 2

AMET UNIVERSITY

Operation & Security Procedure For The Use Of

SQA Instruments of Assessment

The following procedure is intended to maintain the security of instruments of assessment and the credibility of the assessment process.

- a. All instruments of assessment will be posted by courier service to AMET UNIVERSITY.
- b. The package containing the instruments of assessment will only be opened by the Course Quality Co-ordinator.
- c. The Course Quality Co-ordinator will familiarise himself with the instruments of assessment in order to ensure the smooth operation of the course.
- d. The Course Quality Co-ordinator will photocopy the instruments of assessment to allow each candidate his/her own copy during the assessment sessions.
- e. All copies of instruments of assessment will be left in a secure and locked location and access to this material will be restricted to the Course Quality Co-ordinator only. No other person will be allowed.
- f. Assessment sessions will be properly invigilated and no contact with candidates will be allowed either by fellow students or staff.
- g. Copies of the instruments of assessment will be removed from the secure location by the Course Quality Co-ordinator and passed to the staff member responsible for the assessment exercise.
- h. The instrument of assessment will only be distributed to the candidates when the candidates have been properly briefed on the assessment procedures.

Approve sender | Approve domain

Dear Mr Theertham,

Hope that you and all Staff at AMET University are well. Thank you for confirming our visit to AMET on Thursday 28th March. Both Sheryl and myself are looking forward to meeting again at AMET University later this month.

Pickup Details:

I have attached the flight itinerary for your information. We arrive at Chennai International Airport (from Mumbai) on Wednesday 27th March at 16.15. We are staying at the GRT Grand Hotel, 120 Sir Thyagaraya Road, T Nagar and check out on Sunday 31st March. Please confirm safe receipt of the travel details. Please can you confirm that AMET University will kindly arrange the pickup from Chennai International Airport to GRT Grand Hotel on Wednesday 27th? Please also confirm pickup and drop off from GRT Grand Hotel to AMET and return on Thursday 28th March?

During the visit we plan to:

. Conduct Student Interviews - As discussed we will do the Credibility Interviews face to face due to ongoing connection issues with video calling and time differences between India and UK. Please can you arrange for rooms to carry out the Student Credibility Interviews, and forward a list with timings before the trip? We plan to give Students 10 minutes face to face Interview. Please tell the Students to read the Notes on Credibility Interviews and to make good preparations for their Interview. We have calculated that Sheryl and myself will require a full 3 Hours to complete the Student Credibility Interviews, giving each Student up to 10 minutes each. Please can you allocate 3 Hours of the visit for the Interviews? Please send the list when prepared.

Registrar i/c
ACADEMY OF MARITIME EDUCATION AND TRAINING
(Deemed to be University u/s 3 of UGC Act. 1956)
135, East Coast Road,
Kannur - 603 112, Chennai, India.

. Meeting with Staff - Meeting mainly to discuss the coordination and flow of CAS Documents for the Students coming to COGC in September 2019. It is essential for COGC to have the Students arrive on time for September course for their own benefit. To review September 2018 intake, and any improvements that can be made for 2019. As there is a large number of Nautical Students, it is important for us to start their CAS input as early as possible. Also use this time to discuss any other relevant business.

. Meet all HND Students - To give a Presentation on visa process and the transition from AMET to COGC. We would like to give the Student the documents on their COGC USB Drives, Conditional Offer Letters, and CAS Timeline Letter with dates, details and deadlines for document submission. As there are a large number of Students I anticipate this may take some time. Each presentation should take around one hour, but allow for longer to answer Students questions. Please schedule Class Presentations at times which suit Staff. We would also like to allow up to an hour for Questions at the end.

If you have anything you would like to add to the Agenda please let me know. Please confirm that pickups are okay. If you have any questions, please let me know.

Many thanks for your kind assistance and support, and we very much look forward to meeting all Staff and Students at AMET University soon.

Kind Regards,

Mervyn Adams

MEMORANDUM OF UNDERSTANDING

Between

Conceptia®

AMET UNIVERSITY, CHENNAI
&
Conceptia Software Technologies Pvt. Ltd.

This MEMORANDUM OF UNDERSTANDING (hereinafter called THE MOU) is entered into on this date, 05 April 2016 between AMET UNIVERSITY situated at 135, East Coast Road, Kanathur, Chennai: 603112 (hereinafter called 'THE UNIVERSITY') and CONCEPTIA SOFTWARE TECHNOLOGIES PVT. LTD., having its registered office at No. 22, 'Divyasobha', 6th Block, Banashankari 3rd stage, III Phase, Outer Ring Road, Bangalore - 560085 (hereinafter called 'THE COMPANY').

THE UNIVERSITY and THE COMPANY agree to undertake a series of mutually beneficial activities under this MOU. The areas of collaboration are broadly listed in this MOU, while the specific details with reference to each activity shall be worked out at the time of actual activity.

1. THE COMPANY shall participate in Interactive collaboration with THE UNIVERSITY by exchanging expertise in industry and academia, so as to contribute towards curriculum improvisation towards industry orientation.
2. THE UNIVERSITY shall explore the possibility in providing the expertise available as consultancy services to THE COMPANY that will thereby act as a force multiplier to the industry and provide industrial exposure to the faculty and students of the University.
3. THE COMPANY shall endeavour to provide Internships/projects/training to THE UNIVERSITY's students and utilize them for periods prescribed by the University in consultation with the Company.
4. THE COMPANY shall endeavour in providing career opportunities to THE UNIVERSITY students who are suitably qualified taking into consideration THE COMPANY's business requirement.
5. THE UNIVERSITY shall requisition the expertise of THE COMPANY for teaching particular courses where THE COMPANY has the expertise. Similarly, THE UNIVERSITY shall also request for the services of experts available at THE COMPANY for conducting Expert Lectures on certain topics.
6. THE UNIVERSITY runs its Doctoral programmes on Shipping & allied verticals covering technical, operational, commercial & managerial aspects. THE UNIVERSITY agrees to throw open these Research Programmes to the executives of THE COMPANY subject to meeting the prescribed admission norms.

Confederation of Indian Industry
CII Institute of Logistics

MEMORANDUM OF AGREEMENT
between
CONFEDERATION OF INDIAN INDUSTRY
and
AMET UNIVERSITY

1. This Memorandum of Agreement is drawn up and agreed upon between **Confederation of Indian Industry**, a society registered under the Societies Registration Act, 1860, (hereinafter referred to as **CII**) having registered office located at 23-26, Institutional Area, Lodi Road, New Delhi-110003 and **AMET University**, Chennai, (hereinafter referred to as the **University**)

About Confederation of Indian Industry

2. The **Confederation of Indian Industry (CII)** works to create and sustain an environment conducive to the development of India, partnering Industry, Government, and civil society, through advisory and consultative processes.
3. CII is a non-government, not-for-profit, industry-led and industry-managed organization, playing a proactive role in India's development process. Founded in 1895, India's premier business association has over 7200 members, from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 100,000 enterprises from around 242 national and regional sectoral industry bodies.
4. CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness and business opportunities for industry through a range of specialized services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.
5. Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes. Partnerships with civil society organizations carry forward corporate initiatives for integrated and inclusive development across diverse domains including affirmative action, healthcare, education, livelihood, diversity management, skill development, empowerment of women, and water, to name a few.
6. The CII theme of 'Accelerating Growth, Creating Employment' for 2014-15 aims to strengthen a growth process that meets the aspirations of today's India. During the year, CII will specially focus on

Registrar, etc
ACADEMY OF MARITIME EDUCATION AND TRAINING
(Deemed to be University u/s 3 of UGC Act. 19

Kandamur - 603 112, Chennai, India)

economic growth, education, skill development, manufacturing, investments, ease of doing business, export competitiveness, legal and regulatory architecture, labour law reforms and entrepreneurship as growth enablers.

7. With 64 offices, including 9 Centers of Excellence, in India, and 7 overseas offices in Australia, China, Egypt, France, Singapore, UK, and USA, as well as institutional partnerships with 312 counterpart organizations in 106 countries, CII serves as a reference point for Indian industry and the international business community.

About CII Institute of Logistics

8. To address the need of sharpening India Inc's competitive edge through better Logistics and Supply Chain practices, CII Institute of Logistics (CII-IL) was established in 2004 by the Confederation of Indian Industry as a Center of Excellence in Logistics and Supply Chain located at Unit E, 10th Floor, IIT Madras Research Park, Kanagam Road, Taramani, Chennai 600 113.
9. CII-IL creates a platform for the Industry to gain more insights into the emerging trends, industry specific problems of national importance and global best practices in logistics & supply chain management. CII-IL also enables the industry to cut down the transaction cost, increase efficiency, enhance profitability, sensitize and enable to bring solutions to macro level issues.

About AMET University (www.AMETuniv.ac.in)

10. AMET University, situated at Kanathur, on the outskirts of the city of Chennai, is a state-of-the-art Institution dedicated to meeting the global Maritime Industry's needs for quality manpower. AMET was established as a private Maritime Institution through AMET Trust in 1993 and has now attained the stature of a premier Institution that caters to the Shipping Industry not just in India but the world over.

In recognition of its quest for excellence, the Institution has been awarded Certification of ISO 9001:2008 Standards from Det Norske Veritas, Norway. AMET has also earned CRISIL Rating of "Grade I" (outstanding), to the courses approved by the Directorate General of Shipping, i.e., B.E. Marine Engineering, B.Sc Nautical Science & Graduate Marine Engineering. Having started with only 14 cadets, AMET continues to maintain its growth during the last 19 years to have a strength of 3000 cadets/students on date undergoing various Diploma, Degree & Post Graduate Marine Engineering programmes. In August 2007, AMET was conferred University Status under Sec 3 of UGC Act 1956, thus becoming the First University in India for Maritime Education.

Registrar i/c
ACADEMY OF MARITIME EDUCATION AND TRAINING
(Deemed to be University u/s 3 of UGC Act. 1956)
135, East Coast Road,
Kanathur - 603 112, Chennai, India

AMET University is the:

- FIRST to collaborate with Global Maritime Institutions.
- FIRST to generate largest placements from Global Shipping Giants.
- Truly International in character –the Alumni & present students represent Nationalities including Angola, Nigeria, Nepal, Yemen, Oman, Dubai, Sudan, Sri Lanka, Mauritius, Djibouti, Syria, Kuwait, United Arab Emirates, Bangladesh and Malaysia.

The University conducts various innovative Maritime related Technical and Management - UG, PG & Research programs. We are much sought-after to provide consultancy to set up Maritime Training Institutes in other countries too.

In Campus Center of Excellence

11. Having identified the need for Logistics and Supply Chain excellence for the industry to become sustainable and competitive at the global level, and with an objective of facilitating the students for better learning through value added academic delivery, CII-IL proposed to organize select courses through this MOA in the University's campus.
12. The University, has expressed their interest in associating with CII-IL through In campus Centre of Excellence to offer Certificate/Advance Certificate to their Engineering / BBA/ BBM and MBA students along with the regular stream of their courses, with contents developed and provided by CII-IL and delivered by the University faculty. CII-IL decided to organize select courses in the University campus under the terms and conditions detailed hereunder in this MOA.

Great Opportunity

13. Alliance between CII-IL and the University is a great opportunity for evolving a distinct model of tie-up, leveraging CII's strength of industry based knowledge in Logistics and Supply Chain and the University's strength of reputed regional presence with quality faculty and infrastructure.

14. Benefits to the participants of CII Initiatives

- Exposure to learned perspectives from business-savvy academic experts
- Time-sensitive & critical topics in L&SCM
- Periodic e-updates with Logistics and Supply chain news and employment opportunities in Logistics and Supply chain domain
- Access to periodical webinar by industry expert from CII network
- Notification about CII Institute of Logistics industry conferences
- Free subscription to CII-IL e-newsletter
- Access to select knowledge sessions delivered by CII nominated subject matter experts

Memorandum of Understanding

This Memorandum of Understanding is entered on the day 10th Aug
2015 at Chennai;

Between

Inevitable solutions Pvt ltd (ISPL) being the promoters of "the App
that bridges the gap" - Arch having its registered office at G3,
Nithyam, Spartan Nagar, Chennai 600037 represented by its Sales
Head Mr. Richard J Bernard, (hereinafter referred to as "First
Party" which expression shall include its successors and assigns) of
the One part

And

Amet University, a unique maritime university having its office at
Plot No.135, East Coast Road, Kanathur, Chennai, Tamil Nadu
603112 represented by its authorised signatory The Registrar
(hereinafter referred to as "Second party" which expression shall
include its successors and assigns) of the other part.

Registrar i/c

ACADEMY OF MARITIME EDUCATION AND TRAINING
(Deemed to be University u/s 3 of UGC Act. 1956)
135, East Coast Road,
Kanathur - 603 112, Chennai, India.

WHEREAS the first party is a service provider of educational solutions like content development, e- learning solutions, m-learning and more - In India or abroad for schools, colleges and universities promoting here "an App that bridges the gap" between students, parents, teachers and management.

WHEREAS Second Party is a university established with the objective of imparting distance/ open/ online/ and or regular courses to students in different disciplines.

WHEREAS First party and Second Party express their desire to embark on a joint Venture where all departments and students of all modes of education of Second party and its satellite, offline or online campuses **totaling 2500 plus users** remain networked through our mobile application for internal communication systems set up by first party back office.

Second party agrees to provide required information for creation of the codes to set up the mobile application to first party as per required formats of same. Second party takes responsibility to communicate the newly created app codes to its stake holders - teachers, parents, students by whichever means it traditionally communicates so as to make the system workable.

The service provided is **Free of any capital investment** on behalf of the second party for the term of the agreement being **one year till 9th Aug 2016**. Same may be satisfactorily renewed **on mutually agreed terms beyond the stated period**.

This arrangement can be terminated any time by giving one month notice either way by either or both parties. Our system works on a limited memory capacity and as the app is used for communication we do not hold any files in our back office server. Once the files are downloaded at their destiny they get deleted from the system automatically.

ACADEMY OF MARITIME EDUCATION AND TRAINING
(Deemed to be University u/s 3 of UGC Act. 1956)
135, East Coast Road,
Kannathur - 603 112, Chennai, India.

5. KKM Soft will offer Training & International Certification to Students at Subsidized Cost
6. Books & Certificates will be Delivered to Students Enrolling for the Training Program
7. KKM Soft will depute Autodesk Certified Instructor (ACI) to Handle the Training
8. KKM Soft will periodically assess the students progress & report the same to Head of the Department during the Training Program.
9. Training will be conducted during non academic hours.

How to Validate the Quality of our Training ?

Students Passing Online Exam will be Awarded E Logo , Certified Professional Certificate & the Student Name with College Name will be Displayed in Autodesk Website.

Deliverables :

1. Autodesk Certified Instructor (ACI) from KKM Soft will Handle the Training inside the Campus
2. Official Courseware from Autodesk / Book Material will be given to Each Student .
3. Free Autodesk Licensing to Students for 3Years
4. International - Autodesk Course Completion Certificate for Minimum 80% Attendance
5. Certified Professional Certificate & Elogo from Autodesk
6. Project Completion Certificate from Autodesk

Terms & Conditions :

1. Above Fee Is Exclusive of Service Tax , Not Applicable for Educational Institutions if Letter for Exemption Is provided .
2. Above mentioned Fee to be paid on Commencement of Training Program.
3. Payment to be made through Cheque / Cash / DD in the name of KKM Soft Pvt Ltd.

Subject: "AutoCAD" Orientation Program Feedback

Respected Sir,

As Instructed , We KKM Soft P Ltd today 6.10.15 conducted career guidance program on "AutoCAD" for All Core Engineering students . Below is the summary of Interested students with preferred choice of taking course on either weekday or weekend and student names with department & year of study is attached for your reference . Kindly advise us on further progress .

AutoCAD Career Guidance Program Report			
	Week day	168	
	Week end	77	
	Total Interested	245	
Department	Count of Preference	Department	Count of Preference
Naval Arch. & Offshore Engineering	94	Harbour & Ocean Engineering	10
Week day	71	Week day	5
Week end	23	Week End	5
Grand Total	94	Grand Total	10
Department	Count of Preference	Department	Count of Preference
Marine	62	MECHANICAL ENGINEERING	38
Week day	48	Week day	24
Week end	14	Week end	14
Grand Total	62	Grand Total	38
Department	Count of Preference		
PETROLEUM	41		
Week day	20		
Week end	21		
Grand Total	41		

Thank you,
S. Rajesh

ACADEMY OF MARITIME EDUCATION AND TRAINING
(Deemed to be University u/s 3 of UGC Act. 1956)
135, East Coast Road,
Kanathur - 603 112, Chennai, India.

Objectives of the Collaboration:

- To provide employable skills to the students of AMET University.
- Make the student aware of the latest tools and techniques in order to keep them industry ready at the end of their course.
- Offer the course at an affordable price to the students of AMET University
- Increase the employability of the student and maximize on the placement opportunities available.
- To build / improve the confidence level of the student to face the challenges of real time.

This Memorandum of Understanding is to conduct a Unique, Step – By – Step, Systematic, and Employable Skills Development Program for the students of AMET University towards achieving the objective of maximizing the employable opportunities for students of the AMET University.

This Memorandum of Understanding states the terms and conditions under which the Trainings shall be conducted by LIVEWIRE through its Thiruvanimiyur Centre in Chennai at the premises of AMET University and lists herein the respective responsibilities of both parties.

PREAMBLE:

To get a student employable and placed in an organization; over and above the subject knowledge he / she is expected to have the following:

- Strong Fundamental Engineering Knowledge
- Engineering related Multiple Technical Skills - Develop skills that add value.
- Project Management & Operational excellence - Learn & Acquire the Skills
- Communication & other Soft Skills

While Subject Knowledge would be provided by AMET University, LiveWire will equip the students with required industry specific and Project Management skills.

On one hand, thousands of unemployed Engineering graduates are not finding suitable jobs, while on the other hand, Industry requires millions of young minds at all levels but are unable to find the right candidate. This is because of the skill gap that exists between the student and industry requirements. This skill gap is sought to be minimized for the students of AMET University by facilitating them to acquire the appropriate and relevant skills at AMET University itself through this program.

Through this collaboration, LiveWire through its Thiruvanimiyur Business Partner will prepare the students of AMET University to be ready for the industry by the time they enter the final semester and facilitate many of them to secure dream jobs. For this the students have to be nurtured and trained in different areas from the very beginning. Keeping in mind the academic program and the progressive skill development cycle in mind, the programs are spread across their semesters.

LiveWire through its Thiruvanniyur Business Partner Shall Provide

- Comprehensive LIVEWIRE reference books to all students for each course as part of the course.
- Qualified trainers for the course.
- Periodical assessment of the progress of students for their further improvements.
- "Certificate of Completion" to every student who successfully completes the training program every semester which will carry the logo of LIVEWIRE.
- "Certificate of Association" to the college.
- A "link to AMET University website" from LiveWire website www.livewireindia.com
- Permit AMET University to use LiveWire logo as the Skill Development Partner.
- Welcome AMET University to use LiveWire strategically based on the need.

AMET University Shall Provide:

- The required number of computer systems in the lab and other required infrastructure for the practice.
- The Class rooms with LCD projector for the theory classes.
- The Schedule with the classes for this training during the timings indicated in writing by AMET University.
- The supports to ensure, all students who have signed up for the class, attend the training programs scheduled for them.
- The relevant software installed in the computer systems.
- Disciplinary support for the smooth conduct and timely completion of the entire course.
- Minimum Hours of Training time as per the need of the course.
- Provide all support to LiveWire to enroll students in the courses offered by LiveWire. AMET University will provide Space in the campus of AMET University to erect kiosk, one table & two chairs for counselling and distribution of brochures / leaflets. AMET University will allow LiveWire to display banners inside the kiosk. AMET University will allow LiveWire to display notices and posters in the Notice boards during the period of MOU. However, LiveWire undertakes to assume responsibility for damages caused by the trainers of LiveWire, provided by AMET University during the period of MOU and while conducting the course. LiveWire's Thiruvanniyur Business Partner will assume responsibility for downloading the the relevant software onto the computer systems provided by AMET University and will be responsible for any damages caused while downloading. However, AMET University has to provide computer systems as per the specifications given by LiveWire's Thiruvanniyur Business Partner. LiveWire & LiveWire's Thiruvanniyur Business Partner will not be responsible for any damage caused by factors beyond their control like power fluctuations etc. Facilities offered by AMET University include facilities provided within kiosk, class room and lab. Computer systems include hardware, software and accessories.

PARTICIPANTS:

The participants would be the Students of AMET University from from Electrical & Electronics Department to the Semesters mentioned in ANNEXURE 1.

COURSE CONTENTS:

LiveWire and its Thiruvanniyur Business Partner in consultation with AMET University shall finalize the courses and fees for the skills development program. The same is provided in the Annexure - 1. These will be reviewed every year and suitable changes, if required, will be incorporated. As the requirement of each course is different, courses and fees have been worked out separately for each branch.

TIME SCHEDULE

The program(s) will be conducted during the days and timings provided by AMET University. The students will be divided into batches, depending on the total strength. The program(s) will be conducted according to the Time Table drawn up with the mutual consent of LiveWire, LiveWire's Thiruvanniyur Business Partner and AMET University. Utmost care will be taken to frame the time table in such a way that it does not coincide with college exams enabling the student to complete his training ahead of the exams. LiveWire and LiveWire's Thiruvanniyur Business Partner will not conduct any classes during the time of exams. In case of any change in training schedule the same will be intimated to the Programme Coordinator of AMET University. Similarly, if AMET University wants a change in training schedule the same may be communicated to the Programme Coordinator of LiveWire and LiveWire's Thiruvanniyur Business Partner. In either of the cases, a revised training schedule has to be made and the Programme Coordinators of both LiveWire, LiveWire's Thiruvanniyur Business Partner & AMET University and the respective students must be informed about the change in training schedule by means of suitable media (emails/posters/circulars/notice board displays).

Programme Coordinator

The Director of AMET University shall appoint a "Programme Coordinator" from each department for the duration of the program, who shall liaise with LiveWire and LiveWire's Thiruvanniyur Business Partner and make the training process learner-friendly and effective. LiveWire and LiveWire's Thiruvanniyur Business Partner shall work in close relationship with the Programme Coordinator, who in-turn shall keep a close touch with the students. In the event of any difference of opinion between LiveWire, LiveWire's Thiruvanniyur Business Partner and the Programme Coordinator, the matter should be referred to the Vice Chancellor of AMET University, whose decision thereon shall be final and binding on both the parties.

COMMENCEMENT OF COURSE

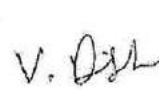

AMET University will ensure that the courses will start within 90 (Ninety) days from the date of signing of MOU. LiveWire's Thiruvanniyur Business Partner will ensure that the courses will commence from date as intimated by AMET University. However exception can be made due to reasons mentioned in the Course Completion Clause or due to delay on AMET University's side.

COURSE FEES & PAYMENT PATTERN

The course fee per student for each course offered is decided and mutually agreed upon by both the parties. The course fee and the payment pattern are available in the Annexure – 1. The student shall pay the course fee directly to AMET University before the start of the course.

AMET University will make payment by Cheque or DD payable at Chennai in the name of HD Infotech (LiveWire's Thiruvanniyur Business Partner).

HD Infotech shall refund the course fee if courses are not provided as stated in Annexure 1. The Fees for AMET University are mentioned in Annexure 1. In the event of any student not able to attend and is missing out the entire session of classes, the AMET University shall not make the payment towards that student. The amount such paid is subject to tax deduction at source. AMET University will provide tax deduction at source certificate for the same. AMET University will take the responsibility of collecting fees from the students.

FEES PAYABLE to AMET UNIVERSITY

LiveWire's Thiruvanniyur business partner will pay AMET University 20% of the collected amount as infrastructure fees. This payment will be made on receipt of payment from student.

COURSE COMPLETION:

While LiveWire through its Thiruvanniyur Business Partner will endeavor to complete the course as per the schedule mutually agreed upon and mentioned in Annexure 1. LiveWire and LiveWire's Thiruvanniyur Business Partner will not be responsible and accountable for delay in completing the course due to reasons which are beyond the control of LiveWire and LiveWire's Thiruvanniyur Business Partner. Reasons beyond the control of LiveWire and LiveWire's Thiruvanniyur Business Partner include – acts of God (including fire, flood, earthquake, storm, hurricane or other natural disaster) and other unforeseen circumstances.

- Courses for individual software will be completed as mentioned in ANNEXURE 1.
- Terms & Conditions as mentioned in ANNEXURE 2.

It is mandatory for the student to have undergone the complete course as mentioned in ANNEXURE 1 to be eligible for a Course Completion Certificate. In case he/she opts out due to any reason an appropriate certificate will be issued for only for that course completed by the student. Students will not be eligible for Certification for the courses that they have not completed.

Neither LiveWire nor LiveWire's Thiruvanniyur Business Partner will issue "Certificate of Completion" to the successful student, if full payment is not made. Neither LiveWire nor LiveWire's Thiruvanniyur Business Partner will refund the fees once paid if the student opts out or discontinues the course completely at any stage due to any reason. In case the student is not in a position to complete the course when it is being conducted in the premises of AMET University, the student can continue the balance of the course at LiveWire's Thiruvanniyur centre, at no extra cost.

EXCLUSIVITY

AMET University will ensure that during the period of the MOU, AMET University will not allow or permit any of the direct and indirect competitors of LIVEWIRE to either do any promotional activities, advertising in any form, publicity of any kind, canvass for students and enroll the students. The courses will be conducted by LiveWire and LiveWire's Thiruvannmiyur Business Partner only.

JURISDICTION

All matters, queries, disputes or differences, whatsoever, arising between the parties touching the construction, meaning, operation or effect of this Memorandum of Understanding or out of or relating to this Memorandum of Understanding or breach thereof shall be settled through arbitration in accordance with the relevant Arbitration Act in force at such time. The Arbitration award shall be binding on both parties.

VALIDITY

Both AMET University and LiveWire shall have the rights to terminate this MOU by providing ONE month notice in writing on their respective letter head only after a minimum period of ONE year. Termination of this MoU for whatever reason shall be without prejudice to the rights of either party and of the students and the ongoing academic programmes.

This Memorandum of Understanding will be valid for a period of ONE year.

This Memorandum of Understanding shall come into effect from August 22, 2016.

23 September, 2015

Respected Sir:

We at Scoregetterr thank you very much for giving us the privilege of meeting your good self and the Registrar on 22 September 2015. I recollect the discussion we had today on conducting campus classes on GRE, GMAT, CAT, GATE, IELTS & TOEFL.

Details regarding the requirements from us is listed in the attached MOU which also includes the fee structure, duration of each program & administrative charges payable to the University

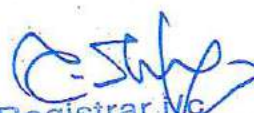

We also assure you that the student fee will be neutral for classes conducted on & off campus.

With kind regards,

Yours sincerely,

Charmine

Memorandum of Understanding

Between

Department of Harbour and Ocean Engineering

AMET University

&

SUVEDHAS Construction, Chennai

In accordance with a mutual desire to promote academic and training, Suvedhas construction, Chennai and AMET University, Department of Harbour and Ocean Engineering, Chennai enter into this memorandum of understanding.

The heads of both institutions for the purpose of furthering cooperation through both educational and training hereby affirm their intention to promote such exchanges as will be of mutual benefit for their respective institutions. Educational and onsite training are considered here to include but not be limited to:

- Development of mutually beneficial academic training.
- Advanced training of academic staff and research students for the purpose of teaching and research

Both parties decide by mutual consent that all the financial agreements will have to be negotiated and will depend on the availability of funds.

Student Training and Technical interaction

Both parties hereby agree that:

The training of students and staff shall be administered through the official procedure.

The scientific training will be for a period of 6-8 weeks at the host university

The travelling expenses of students could be supported by the delegating university; lodging and living expenses could be supported by the host university

The student will provide his or her own health, accident, repatriation and civil liability insurance.

ACADEMY OF MARITIME EDUCATION AND TRAINING
(Deemed to be University u/s 3 of UGC Act. 1956)
#135, East Coast Road,
Kanathur - 603 112, Chennai, India.

Staff Training

Both parties hereby agree that:

Both parties agree to support the exchange during each academic year of maximum 2 staff member/ student of scientific staff from each university/company.

However, this number may vary in any given year provided a balance of training is attained over the term of the memorandum of understanding.

The travel expenses of all staff members could be supported by the host university. The expenses for accommodation and subsistence could be supported by the host University for a Maximum Pool of time equivalent to 6-8 weeks per academic year.

Scientific research

1. Collaboration in research will be on topics related to regional development, amongst others.
2. Details of each research project shall be arranged by mutual consent by the relevant departments, centres, etc, of both parties subject to the approval of the higher authorities of each party.
3. Relevant academic materials, technical information including research reports, periodicals, etc, and other information available to each party shall be exchanged between parties.
4. All information and /or data that may be exchanged, acquired and shared in connection with the areas of cooperation between both parties pursuant to this memorandum of understanding shall be treated strictly confidential and shall not under any circumstances be divulged by the receiving party unless and otherwise such information has already been in public domain.
5. Any cost and expenses that may be incurred by jointly performing and research activities shall be negotiated and agreed upon to the satisfaction of both parties before starting such programs and activities.

For, Suvedhas construction, Chennai, Mr.S.Aravindan Founder & CEO, will be the responsible member of the Memorandum of understanding. For AMET University, this will be Prof. Dr.K.Thiruvengatasamy

Dear Sir,

Subject: Sanction of Research Project for AMET

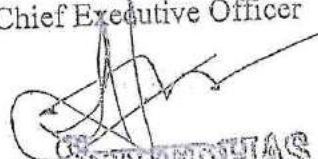

Ref: Your letter dated 20-9-2017

With reference to the above subject, we are pleased to update on the research project proposal submitted for grant of Rs. 45,000/- (Rupees Forty five thousand only) with our firm by Dr. K. Thiruvengatasamy. The project proposal entitled "Hydrodynamic Modelling of scour around Oscillating Water Column (OWC) wave power Caisson breakwater due to regular waves" has been selected for financial assistance by our selection committee with project file no as: SUVEDHAS\Research\2017-18\167243. The amount sanctioned is to be spent as per the scheduled budget, related to the project only.

The principal investigator shall fulfill the following terms and conditions.

- i. The total duration of the project is 18 months, with the today's date as the starting date.
- ii. The entire project amount (INR45000) will be paid, only after completion of the project and submission of project report.
- iii. The project reference number must be stated in all future correspondence.
- iv. An interim project report should be submitted after six months.
- v. Allocated grant will be deposited directly into the AMET Bank Account.
- vi. No honorarium will be paid to Principal Investigator for undertaking project.
- vii. A final copy, hardbound, must be submitted with all necessary signatures of the higher officials from your side.

MoU page 10001.JPG

UNIVERSITY OF ABERDEEN
MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ('MoU') is by and between the

University Court of the University of Aberdeen, a charity registered in Scotland, No SC013683,
University Office, King's College, Regent Walk, Aberdeen, AB24 3FX, United Kingdom

and

AMET UNIVERSITY, 135, East Coast Road, Kanathur - 603112, India

and who may, from time to time, be hereinafter referred to individually as the 'Party' or collectively
as the 'Parties'.

WHEREAS, the Parties are mutually interested in establishing collaboration on academic and
research related development activities;

WHEREAS, the Parties have discussed the furtherance of these interests and now desire to record
their mutual understanding in this regard;

NOW THEREFORE the Parties agree to enter into this MoU as follows:

ARTICLE I: PURPOSE AND PRINCIPLES OF COLLABORATION

The purpose of this MoU is solely to detail the intentions of both Parties in order for them to
evaluate the possibility of developing collaborations in the activities detailed under Articles II and III
hereunder. Such activities shall be further developed and materialised only under a separate written
legally binding agreement as detailed under Article IV.

ARTICLE II: AREAS OF COLLABORATION

The primary area of collaboration is Petroleum Engineering. Other areas can be added by written
agreement of the Parties which is only valid by signature of an authorised signatory of each of the
Parties.

ARTICLE III: METHODS OF COLLABORATION

The Parties shall jointly develop activities to enhance their academic and research capabilities for the
benefit of both Parties. Each activity will comprise of:

1. Facilitation of the articulation of students

A11991/Memorandum of Understanding/AMET UNIVERSITY

Page 1 of 3

Registrar/c
ACADEMY OF MARITIME EDUCATION AND TRAINING
(Deemed to be University)
135
Kannur

2. Development of joint, comparative, research projects, technical services, training, consultancy and related activities

(hereinafter referred to individually as 'Activity' and collectively as 'Activities')

Both Parties will actively pursue funding in order to enable the above Activities.

ARTICLE IV: IMPLEMENTATION

The specific Activities shall be further developed and materialised only under a separate written legally binding agreement for each Activity when an Activity will be organised jointly by the Parties.

Both Parties will determine the feasibility of each Activity according to their requirements and enter into a separate written agreement prior to its implementation, such agreement shall consist of the legal obligations and responsibilities of both the Parties relating to the management and organisation of the Activity, including but not restricted to:

- the start date, duration and end date of the Activity;
- fees, maintenance and expenses, where applicable;
- the policies and procedures relating to admission, registration and statutory reporting;
- the policies and procedures relating to academic standards, and for monitoring, assessment, examination and award;
- the facilities and academic and pastoral support available, including the avenues for appeals and complaints;
- the monitoring, review, ownership, management and exploitation of Intellectual Property;
- the surviving obligations of the Parties following termination of the Activity.

Each Party will nominate a representative to supervise that Party's involvement in an Activity. The name and contact details of said representatives will be issued to both Parties.

ARTICLE V: NON COMMITMENT

1. This MoU does not commit either Party to any financial expenditure. Activities will be initiated only if the necessary support funding has been guaranteed and a separate written legally binding agreement has been entered into by both Parties.
2. No student is allowed to enter into any collaborative programme solely on the basis of this MoU.
3. This MoU is not intended to create a contractual relationship between the Parties, nor shall the terms of the same be considered legally binding upon the Parties.

ARTICLE VI: DURATION AND TERMINATION

1. Either Party may terminate this MoU in giving not less than sixty (60) days' notice in writing of termination.
2. This MoU shall continue in force from the last date of signature of this MoU and effect for a period of three (3) years, unless terminated earlier under Article VI (1).

ARTICLE VII: LANGUAGE

This MoU is drawn up in English which language shall govern all documents, notices and meetings for its application and/or extension or in any other way relative thereto.

Dear Dr Anath and Ms Swarna,

There has been an issue with India visa for staff travelling. The application has been returned and asked to re-submitted with new processing times of minimum 30-35 working days.

So Unfortunately, this planned visit in August is having to be delayed. September will be a busy month for academics, hence we anticipate the visit to be October 2015 once the visas have arrived.

I would appreciate, if you can give us supporting visa invitation letters addressed to London embassy address:
"The High Commission of India, India House, Aldwych, London, WC2B 4NA"

Their Passport details once again are,

1. Name : Andrew Joe Starkey
Designation : Lecturer in Engineering, University of Aberdeen

Dear Dr Anath and Ms Swarna,

Thanks for the invitation letters.

In preparation to the 'pre-articulation' visit on 4 & 5 August 2015 to AMET University, please consider the below recommendations for the programme,

1. Campus visit

The purpose of the visit is allow AMET to demonstrate that you have suitable laboratories to conduct all practical experiments and Computer Labs related to the BE Petroleum Engineering.

Our Engineering Institutions regularly review degree programmes and accredit those they find suitable on behalf of the Engineering Council (UK) and Engineering and Technology Board. According to your choice of curriculum, our MEng Honours degree is accredited by the Institution of Chemical Engineering, Institution of Civil Engineers, Institution of Structural Engineers, Institution of Engineering and Technology or by the Institution of Mechanical Engineers.

Hence it is of utmost importance that our Academics are satisfied with Academic infrastructure (both staff and facilities) at AMET. Our academics need to

- a. Inspect facilities (laboratories and Computer Labs)
- b. Look at CV of staff members (all those who teach on the BE Petroleum Engineering) and
- c. Meet staff members (one to one with course Head) during the visit.

2. Academics and Student interaction

The purpose of the session with students is for the students to demonstrate that they will be able to perform/cope with the academic standards at University of Aberdeen. We understand AMET seeks an arrangement for students to progress after 2.5 years in AMET to do 1.5 years at University of Aberdeen. This is fully dependent on an Academic assessment and if unsatisfactory may not be possible. 100% of our students find employment within 6 months after completion of the Course and 2/3rd of them are in Full time employment whilst some of the other pursue further studies. In view of students success, our academics need to,

Kanathur - 603 112, Chennai, India.

- a. Inspect administrative procedures through the whole student journey including resit procedure
- b. Assessment, examples of examination question papers, examples of exam papers
- c. Interact with students to test their level of knowledge and get feedback on interest in the Aberdeen programme.

3. Employability and Industry interaction

The University of Aberdeen is only able to recruit Indian students by having a Tier 4 (General) Licence and Tier 4 Sponsor Status that is regulated and audited against strict guidelines by the Home Office, UK Visas and Immigration (UKVI). Students intending to work in the UK after their students must refer to www.gov.uk/browse/visas-immigration/work-visas. It is anticipated that students will return to Home Country i.e. India and look for employment within India. In order to give the students a good experience and maintain our employability record, our academics need to understand 'Employer expectation' in India and current perception. In view of Employability, our academics need to,

- a. Meet Graduate employers (one to one with at least two employers) who has recruited AMET students with the view of understanding their expectations and getting employer feedback
- b. Assess Careers/Placement services available at AMET

In order to have a productive and effective visit, I would appreciate if you could please send documents/lists relating to all above items on or before 28 July 2015.

Considering the above, can you also please send a suggestive programme for the two day visit by Dr Andrew and Dr Lateef.

Should you have any queries on this, please feel free to get in touch with one of us.

Many thanks and look forward to working with you.

Kind regards

Vimal

UNIVERSITY OF ABERDEEN

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ('MoU') is by and between the

University Court of the University of Aberdeen, a charity registered in Scotland, No SC013683,
University Office, King's College, Regent Walk, Aberdeen, AB24 3FX, United Kingdom

and

AMET UNIVERSITY, 135, East Coast Road, Kanathur - 603112, India

and who may, from time to time, be hereinafter referred to individually as the 'Party' or collectively as the 'Parties'.

WHEREAS, the Parties are mutually interested in establishing collaboration on academic and research related development activities;

WHEREAS, the Parties have discussed the furtherance of these interests and now desire to record their mutual understanding in this regard;

NOW THEREFORE the Parties agree to enter into this MoU as follows:

ARTICLE I: PURPOSE AND PRINCIPLES OF COLLABORATION

The purpose of this MoU is solely to detail the intentions of both Parties in order for them to evaluate the possibility of developing collaborations in the activities detailed under Articles II and III hereunder. Such activities shall be further developed and materialised only under a separate written legally binding agreement as detailed under Article IV.

ARTICLE II: AREAS OF COLLABORATION

The primary area of collaboration is Petroleum Engineering. Other areas can be added by written agreement of the Parties which is only valid by signature of an authorised signatory of each of the Parties.

ARTICLE III: METHODS OF COLLABORATION

The Parties shall jointly develop activities to enhance their academic and research capabilities for the benefit of both Parties. Each activity will comprise of:

1. Facilitation of the articulation of students

Registrar i/c

ARTICLE VI: DURATION AND TERMINATION

1. Either Party may terminate this MoU in giving not less than sixty (60) days' notice in writing of termination.
2. This MoU shall continue in force from the last date of signature of this MoU and effect for a period of three (3) years, unless terminated earlier under Article VI (1).

ARTICLE VII: LANGUAGE

This MoU is drawn up in English which language shall govern all documents, notices and meetings for its application and/or extension or in any other way relative thereto.
