MEMORANDUM OF UNDERSTANDING

Between

AMET UNIVERSITY, CHENNAI

&

CMA CGM SHARED SERVICE CENTRE (INDIA)
PVT. LTD, CHENNAI

1400
CMA CGM

This MEMORANDUM OF UNDERSTANDING (hereinafter called THE MOU) is entered into on this date; August 2014 between AMET UNIVERSITY situated at 135, East Coast Road, Kanathur, Chennai: 603112 (hereinafter called 'THE UNIVERSITY') and CMA CGM SHARED SERVICE CENTRE (INDIA) PVT. LTD, having its registered office at Ambit IT Park, 8th floor, 32 A & B, Ambattur Ind Estate, Chennai-600058 (hereinafter called 'THE COMPANY').

THE UNIVERSITY and THE COMPANY agree to undertake a series of mutually beneficial activities under this MOU. The areas of collaboration are broadly listed in this MOU, while the specific details with reference to each activity shall be worked out at the time of actual activity.

1. Summer Internship

THE COMPANY shall arrange to provide summer Internships/projects to THE UNIVERSITY's students and utilize them for periods prescribed by the University in consultation with the Company.

2. Visiting Faculty/Guest Lectures

THE UNIVERSITY shall requisition the expertise of THE COMPANY for teaching particular courses where THE COMPANY has the expertise. Similarly, THE UNIVERSITY shall also request for the services of experts available at THE COMPANY for conducting Expert Lectures on certain topics.

MEMORANDUM OF UNDERSTANDING

Pudhur, Ambattur,
Chennai - 53.
Mobile: 8754401458

Dear Gopinath,

Congratulations!!!

This refers to your application for employment and the subsequent interviews & discussions you have had with us.

We are pleased to extend an offer of employment as: **Executive - Operations Support** with CMA CGM Shared Service Centre (India) Pvt. Ltd.

1. **Cost to Company (CTC):** Your total CTC will be **Rs.253164/-p.a.** detailed in the enclosed Annexure - I. This will be the cost to company (CTC) including all the components of the salary and subject to Income Tax as applicable.
2. **Joining:** You will be joining us on or before **20-Jul-16 at 9:30 AM.**
3. **Location:** Your place of posting will be **Chennai.** However based on the organisational requirements, at any time, during your service with the company, you are liable to be transferred to another location anywhere in India or abroad. In the event of such transfer, you shall be governed by and shall be subject to the rules and regulations of the business unit & location you are posted at.
4. **Appointment letter:** You will be given a detailed appointment letter with specific terms and conditions of employment at the time of joining.
5. This offer of employment is conditional and subject to you clearing the **Reference Check.** If we have reasons to believe that you have not discontinued your previous employment contract (if any) and CCSSC finds or gets aware that currently as on date your employment with the previous employer is valid and existing while still in services with us or any of the information provided by you is false or incorrect, then we reserve our unconditional rights to terminate your services forthwith at our sole discretion without giving a further notice to you. Further the duration or period of your work in CCSSC shall be treated null and void ab Initio.

AMET
ACADEMY OF MARITIME EDUCATION AND TRAINING
(Deemed to be University)
(Under Section 3 of UGC Act, 1956)

DNV-GL

**Co-operation Agreement
Maritime Academy and Academy of Maritime Education and
Training (Deemed to be University)**

Between

Academy of Maritime Education and Training (Deemed to be University), 135, East Coast Road, Kanathur, Chennai-603112 represented by M.S.P. Raju, Faculty

- Hereinafter referred to as "AMET" -

And

DNV GL SE, Maritime Academy, Brooktorkai 18, 20457 Hamburg, represented by Serene Dias, Training Coordinator-Maritime Academy Area India

- Hereinafter referred to as "Maritime Academy" -

- Both hereinafter referred to as "the parties" -

Preamble

AMET and Maritime Academy have agreed to encourage co-operation and exchanges between the parties in the areas of maritime and management training. Both institutions are seeking to improve maritime safety, security, environmental protection and improvement through sustainable training development and delivery.

The common aim of this agreement between Maritime Academy and AMET is to co-operatively carry out Maritime Academy courses and qualify experts in maritime and / or management systems training.

Both parties to this agreement undertake to co-operate and use their best efforts in pursuing the goals of this agreement and in performing the activities agreed upon.

Article 1 - Scope of activities / responsibilities

1.1. General scope of activities:

The parties to this agreement agree on carrying out joint activities in the sectors of advanced training.

The specific activities shall cover the following:

Cooperation Agreement: Maritime Academy / Academy of Maritime Education and Training (AMET)

Chairman of the Supervisory Board: Rens Eriksen. Executive Board: Knut Orbeck-Nielsen, Torsten Schramm, Bjorn-Olaf Borth
DNV GL SE, Registered Office Hamburg No. HRB 115442

Place of performance and jurisdiction is Mumbai, India. The latest edition of the General Terms and Conditions of DNV GL SE is applicable. Indian law applies.

Registrar i/p

ACADEMY OF MARITIME EDUCATION AND TRAINING
(Deemed to be University u/s 3 of UGC Act. 1956)
135, East Coast Road,
Kanathur - 603 112, Chennai, India.

- ❖ AMET shall support Maritime Academy by granting access to their course premises (availability and own company premises provided) also for other Maritime Academy courses not conducted under the roof of this co-operation agreement, without any charge.
- ❖ Trainer provision:
- ❖ AMET is responsible for finding local trainers for conducting the chosen courses. The trainer qualifications needed for each course topic are defined in attachment 2 (Maritime Academy Quality Standards: Basic Requirements for Trainers acting for DNV GL related to course topic). The requirements defined in attachment 2 are mandatory and have to be fulfilled by the proposed trainers in all mentioned aspects.
- ❖ AMET has to supply the Maritime Academy responsible with the CVs of the suggested trainers for perusal at the latest two months before the course will take place in order to facilitate the trainer's further qualification process.
- ❖ In order to act as Maritime Academy trainer, the participation in a Train-the-trainer course is a prerequisite. During this course local trainers will didactically be further qualified and familiarized with the Maritime Academy training standards. An AMET trainer who has already undergone the Train the Trainer Program need not undergo the program again and would be evaluated for suitable qualification as mentioned above.
- ❖ After perusal of the CVs by the Maritime Academy responsible, additional qualification steps (e.g. attendance of a course conducted by a Maritime Academy trainer acting as main trainer and the potential trainer acting as co-trainer) might be suggested and have to be followed by the candidates in close coordination with AMET.
- ❖ Maritime Academy reserves the right to disapprove of the suggested candidates in case the needed qualifications are not met according to the profile. AMET then has to continue finding other qualified candidates until Maritime Academy grants their approval.
- ❖ Should the feedback (completed by the attendees regarding the trainer's performance) show a need for action due to negative evaluations, Maritime Academy reserves the right to disapprove of his / her further use as a trainer within the co-operation between Maritime Academy and AMET. AMET is then responsible for identifying new qualified trainers based on the procedure explained above.
- ❖ For the conduction of the courses it is also possible to use Maritime Academy trainers instead of local candidates. In that case, AMET has to inform the Maritime Academy responsible who will then coordinate a suitable date together with the trainer. Maritime Academy will inform AMET about the daily trainer fee, the travel rate and other arising costs.

- Translation of course material into local language:

Cooperation Agreement: Maritime Academy / Academy of Maritime Education and Training (AMET)

Registrar /lc

ACADEMY OF MARITIME EDUCATION AND TRAINING

First name, last name, gender, title (if applicable), company name, whole company address, GST number, invoicing address, company website, participant's e-mail address

Supplementary information if available: Telephone no., fax no.

- ❖ AMET is responsible for printing and / or copying the requested Maritime Academy course materials and the provided course forms. AMET will receive a guideline with instructions how to print the documentation by the Maritime Academy responsible together with the provided course materials. The arising costs have to be borne by AMET.
- ❖ AMET will make sure to hand over the printed course materials bound in a solid folder to the trainer prior to the course according to the printing instructions mentioned above.
- ❖ AMET will hand over the course forms to the trainer prior to the course. The course forms consist of: feedback forms, list of attendance for signing and name plates.
 - AMET shall agree with the trainer to have the list of attendance signed by each participant during the course. AMET is responsible for returning this list to the Maritime Academy responsible electronically (scanned version).
 - AMET will take care of distributing the Maritime Academy feedback forms (provided by Maritime Academy) after the course and providing the Maritime Academy responsible with the completed forms electronically (scanned version).
 - AMET will take care of distributing the certificates of attendance after the course (i.e. after having collected the completed feedback forms).
- ❖ AMET will send an invoice to Maritime Academy at the end of each course according to Article 2.1 of this agreement.

Marketing activities

- ❖ All courses shall be promoted as "Maritime Academy courses in co-operation with AMET".
- ❖ In case any logos are published, the DNV GL logo and AMET's logo have to be displayed together.
- ❖ The course presentation form (format: PowerPoint) shall be DNV GL corporate design. AMET's logo can additionally be incorporated in the slide master to appear on every page.
- ❖ Before any marketing activities are implemented in the local market, AMET has to coordinate their marketing plan with the Maritime Academy responsible.
- ❖ Advertisements or articles posted in local magazines or on local websites have to be sent to the Maritime Academy responsible for perusal before being published.
- ❖ The parties to this agreement intend in general to agree on publications related to their co-operation and activities carried out under this agreement. Any

Kanathur - 603 112, Chennai, India.

Article 2 – Financial agreements

The financial agreements between the two co-operation partners are as follows:

2.1 General agreement:

- For each course delivered to in-house students Maritime Academy pays 50% of the total of the revenue generated per course date to AMET at the latest 30 days after receipt of invoice.
- For each course delivered to external participants Maritime Academy pays 60% of the total of the revenue generated per course date to AMET at the latest 30 days after receipt of invoice.

2.2 Train-the-trainer workshops: The fee for the conduction of the two-day Train-the-trainer workshops amounts to 2,000,00 Euro. Costs for trainer accommodation and travelling are not included in this sum and have to be borne by AMET separately. The fees have to be paid to Maritime Academy at the latest 30 days after the Train-the-trainer workshop has been conducted. The maximum number of participating potential trainers is limited to 12 persons. If more than 12 persons attend, a second trainer is needed to conduct the workshop.

2.3 Course updates / revisions: Maritime Academy provides AMET with course updates / revisions for those topics that are planned to be conducted by AMET, as indicated under 1.2., with no additional charge.

2.4 Invoicing: Maritime Academy invoices the participants at the commencement of the course or in advance, according to the local practise. AMET will receive copies of the original invoices in electronic version (scanned pdf).

2.5 Collection of Payment: AMET will be responsible of timely collection and forwarding of the payment towards the course fee.

2.6 Customization of courses / Development: For any additional requested customization or development of course material, the Maritime Academy responsible will provide AMET with an estimate of costs. Basis for a thorough quotation are AMET's requirements regarding objective, content, target group, duration of the course and potential date of conduction. The quote is free of charge and without any commitment on the part of AMET.

2.7 Cancellation period / fees:

- Cancellation of the course by the customer (if Maritime Academy trainers are used and no local ones):
In case of absence from or cancellation of the respective course less than 10 calendar days prior to the date of the respective course, the full amount of trainer fees, which were communicated by Maritime Academy as per 1.2., will be invoiced.
- Cancellation of the course by the organisers
Maritime Academy reserves the right to cancel the planned training course if unforeseeable circumstances require such action. AMET will be informed immediately. In this event Maritime Academy is not liable for any of the costs incurred by the enrolled participants (flight, hotel, etc.). DNV GL shall offer AMET a new date for the training course as replacement.

Cooperation Agreement: Maritime Academy / Academy of Maritime Education and Training (AMET)

135, East Coast Road,
Kanathur - 603 112, Chennai, India.

- 6.2. For all disputes arising in connection with this Agreement the exclusive place of jurisdiction shall be Mumbai.

Article 7 – Modifications

- 7.1. Modifications or amendments of this agreement are to be made in writing and require the consent of both parties to this agreement.

Article 8 – Duration of this agreement

- 8.1. This agreement has been drafted in duplicate, one official copy for each party to this agreement, and shall enter into force after it has been signed by each party to this agreement.
- 8.2. The Agreement becomes effective on 01st April 2018 for duration of 3 years. It can be cancelled by either partner following the provisions of article 9 of this agreement.

Article 9 – Termination of this agreement

- 9.1. Both parties have the right to terminate this agreement at any time in writing by giving 3 months' notice. Both parties have also the right to terminate this agreement with immediate effect at any time, if there is a special reason, e.g. a material breach of contract by the other party to this agreement.

Article 10 – Miscellaneous

- 10.1. Changes and amendments to this Agreement must be made in written form.
- 10.2. Salvatore clause: Should any provisions contained in this agreement be or become fully or in part invalid, the validity of the remaining provisions shall in no way be affected. In that event, those invalid provisions shall be replaced or supplemented by valid ones which are to be as close as possible to the economic purpose of the prior invalid provisions.

- 2.1. The Institution hereby grants to Ebek the exclusive right to conduct the Communicative English Classes within the premises of the Institution and Ebek hereby accepts the same.

3. OBLIGATIONS OF EBK

- 3.1. Ebek shall conduct 60 hours of Communicative English classes each semester. The classes will be conducted for four hours each week for each department. The duration of each class will be for two hours.
- 3.2. Ebek will provide full time qualified faculty exclusively for the Communicative English classes.
- 3.3. Ebek will provide the course material for each student.
- 3.4. The faculty will be monitored by Ebek on a continuous basis.
- 3.5. The Ebek faculty will conduct speaking assessments on a regular basis and an end of semester speaking exam as well.
- 3.6. Ebek assures that at least 90% of the students will be able to speak at a minimum of A2 Level as per the CEFR (Common European Framework of References) Scale at the end of the two semesters. This also depends on students putting into practice what is taught in the classroom.
- 3.7. Ebek will ensure that weak and non performing students are counselled and given special attention.

8. TERMINATION

8.1. This MOU may be terminated:

8.1.1. By unanimous consent.

8.1.2. In the event of any lawful authority ordering the Parties to terminate this MoU.

9. APPLICABLE LAW AND ARBITRATION

9.1. This Agreement shall be governed by Indian law.

9.2. Any dispute arising out of or in connection with this MoU, including any question regarding its existence, validity or termination, shall be referred to and finally resolved by arbitration at Chennai, India in accordance with the Indian Arbitration and Conciliation Act, 1996. The arbitration shall be conducted by three (3) arbitrators with each Party appointing an arbitrator and the two arbitrators so appointed appointing the third and presiding arbitrator. The language of the arbitration shall be English.

9.3. No Party shall disclose to any third party the existence, nature, content, or outcome of any arbitration, or purported arbitration, brought in respect of this MOU.

IN WITNESS WHEREOF the Parties have executed and delivered this MoU as of the date written above.

Memorandum of Understanding

This Memorandum of Understanding (MoU) is made on the 26th day of November 2019 in Chennai between **ACADEMY OF MARITIME EDUCATION AND TRAINING (AMET) - DEEMED TO BE UNIVERSITY** established at 135, East Coast Road, Kanathur, Chennai-603112 (hereinafter referred to as AMET))

AND

GE-TECH POWER CONTROLS Pvt. Ltd., situated at NO.7, LAKSHMANA NATRAJAN STREET, JAMBUKESWARAR COLONY, KORATTUR, CHENNAI-600680.

ACADEMY OF MARITIME EDUCATION AND TRAINING (AMET)- DEEMED TO BE UNIVERSITY AND GE-TECH POWER CONTROLS Pvt. Ltd here by desiring to expand scholarly ties and promote mutual understanding, agree to encourage academic exchange and cooperate under the following conditions:-

1. Purpose: The purpose of this MOU is to establish the terms and conditions under which Trident Tech Labs will use class rooms in the premises of AMET Deemed to be University, Chennai for establishing industrial collaboration such as Internship programme, Industrial visit, Guest lecture, Value added training programme, Consultancy Research works, Project works and conducting the Technical Skill Development Workshop in the field of Solar Power Plant of AMET Deemed to be University, Chennai.
2. Term of the MOU, This MOU is effective upon the day and date last signed and executed by the duly authorized representative of the parties to this MOU and shall remain in full force and effect till the end of the Protection and Switchgear course conducted by **GE-TECH POWER CONTROLS Private Limited**. This MOU may be terminated, without cause, by either party upon one month written notice. Which shall be delivered by hand or by certificate, mail to the address listed above.
3. AMET Deemed to be University, Chennai agrees to provide the following facilities
 - Class Rooms
 - Public Addressing System

Registrar
ACADEMY OF MARITIME EDUCATION AND TRAINING
(Deemed to be University u/s 3 of UGC Act. 1956)

4. **GE-TECH POWER CONTROLS Pvt. Ltd** shall provide all the material – teaching notes, course material and relevant software required for the program delivery.
5. **AMET Deemed to be University** is free to extend the course to other departments, as well, and **GE-TECH POWER CONTROLS Private Limited** shall extend all the support required for the course delivery at other campuses.
6. Classes will be conducted from Monday to Friday, and if required during the weekends, as mutually agreed between **AMET Deemed to be University** and **GE-TECH POWER CONTROLS Private Limited**.
7. General Provisions
 - A. Amendments, either party may request changes to this MOU. Any changes, modifications, revisions, or amendments to this MOU which are mutually agreed upon by and between the parties to the MOU shall be incorporated by written instrument, and effective when executed and signed by both parties to this MOU.
 - B. Entirety of agreement. This MOU consisting of 2 pages represents the entire and integrated agreement between the parties and supersedes all prior negotiations, representation and agreements whether written or oral.
 - C. Severability should any portion of this MOU be judicially determined to be illegal or unenforceable, the remainder of the MOU shall continue in full force and effect, and either party may renegotiate the terms affected by the severance.
8. Indemnification: "**GE-TECH POWER CONTROLS Private Limited** shall Indemnify and hold **AMET Deemed to be University** harmless against claims, costs, expenses, losses, damages and any other liabilities incurred as a result of failure to observe and perform obligations pursuant to this MOU".
9. Signatures. In witness, whereof, the parties to this MOU through their duly authorized representatives have executed the MOU on the days and dates set out below, and certify that they have read, understood, and agreed to the terms and conditions of this MOU as set forth herein.
10. In the event of any dispute or difference arising under this contract/agreement in connection therewith except as to the matter, the decision of which is specifically prescribed under this contract the same shall be referred to the sole arbitration of Registrar, **AMET Deemed to be University, Chennai**. The venue of the arbitration proceedings shall be within Chennai.
11. All Legal issues arising out of this contract shall be subject to the territorial jurisdiction of Chennai Court and guaranteed by the Indian Laws for the time being in force.
12. This Memorandum of Understanding will be valid for a period of **three academic years** from the date of this agreement.

Respected Sir,

Sub: Request for internship for our students- Reg.

Our University is the first Marine University in India for Maritime related education, training and research. We also offer UG and PG courses on Marine Engineering, Nautical Science and Naval Architecture. We are interested to depute four of our third year students from the Department of Marine Engineering to undergo internship to gain the knowledge in LT and HT Panel in your organization during the month of December which will help our students to gain practical knowledge in onboard ship. So we request you to kindly help us in getting the internship for the following students.

1. AME17206 Tejas.M
2. AME17227 Vuppulapati Vamsi
3. AME17225 Vishnukumar K.S
4. AME17258L Madhu Sudan J.

Thanking You,

Prof. Bhoopathy Bhaskaran

Category: Guest lecture

About the Programme:

We have organized a Guest Lecture on "Marine control and Marine automation" on 12th February 2020 at DNV hall -II, AMET Deemed to be university for Third year students of Marine Engineering to gain some knowledge about the real time happenings in transmission line. The Lecture was given by Mr.G.Elumalai is Electrical Engineer having 26 years experience by working in various types of control panels used in ships and also proprietor of GE-TECH POWER CONTROLS Pvt Ltd.

Background

Marine control and Marine automation is very important core subject for Marine Engineering students. After the completion of second unit students get the knowledge of steering gear and integrated automation room. Students will also able to explain various types of alarms and their working principle.

The main objective of this programme

The objective of this Lecture is:

1. To gain exposure to various types alarms in control panel in ship
2. To understand the working of control panels and its types
3. To understand the Integrated automation room with PLC, SCADA and DCS.

Registrar i/c

ACADEMY OF MARITIME EDUCATION AND TRAINING
(Deemed to be University u/s 3 of UGC Act, 1956)
135, East Coast Road,
Kanathur - 603 112, Chennai, India.

WHEREAS, AMET is under the patronage to promote higher education and research and to produce more Doctorates and scientists with international standard.

AND

WHEREAS, ICAR-CIBA, a nonprofit organization supported by the Indian Council of Agricultural Research, has the primary goal of collaboration for pursuing research in the fields of brackishwater fish and shrimp culture, fish nutrition, animal health, fish genetics, biotechnology, extension, economics and information sciences.

The parties, having discussed the fields of common research interests and allied activities between the two institutions, have decided to enter into a long-term collaboration in the areas of education and research studies. The areas of co-operation include, subject to mutual consent, any program offered at either institution which the parties consider as an effective contribution to the fostering and development of cooperative relationship between the parties. The terms of individual programs and activities shall be mutually discussed and agreed upon in writing by the parties prior to their initiation.

It has been agreed that:

1. Subject areas of Cooperation:

- a. The agreement is intended to facilitate academic and research cooperation in the field of live feed production.
- b. This MoU will initiate collaborative research on the broad area viz., Indigenous live feed for aquaculture using estuarine and marine zooplanktons in general and copepods in particular; Biology, reproduction and mass culture of free living copepods (harpacticoid, cyclopoid and calanoid copepods) and scaling of culture.
- c. Under the MoU, any further activity can be initiated later separately based on mutual interest.

2. **Forms of Research Cooperation:** The purpose of this Memorandum of Understanding (MOU) is to establish a collaborative relationship between the Central Institute of Brackishwater Aquaculture, Chennai and the Department of Marine Biotechnology, AMET.
3. The Conveners Committee shall meet at least once in a year either at AMET or CIBA to review the progress.
4. The Convener and Co-convener shall be the contact persons for all the cooperation and other related issues identified in this understanding.
5. The parties to bear their respective costs of carrying out the activities envisaged under this understanding. Neither party shall make a claim against the other party for any expenditure unless such expenditure has been agreed upon in writing between the parties.
6. The implementation of the objectives and scientific areas of cooperation identified in this understanding shall be subject to the availability and convenience of staff and faculty.
7. The research publications and commercially exploitable innovations arising out of joint projects shall be jointly published, patented and commercialized as per definitive agreements for the purpose.
8. The responsibility of CIBA is limited to the technical advice, training, knowledge partnership on matters covered under this agreement. All the other operational matters will be the responsibility of AMET.
9. The agreement shall come into force with effect from the date written herein above and shall be valid for a period of 24 months.
10. In the event of termination or expiration, the ongoing projects and programs shall be governed by the terms and conditions of this understanding and allowed to complete.

ACADEMY OF MARITIME EDUCATION AND TRAINING (AMET)
DEEMED TO BE UNIVERSITY, CHENNAI

This MEMORANDUM OF UNDERSTANDING (hereinafter called THE MOU) is entered into on this date, 31st October 2018 between INDIAN MARITIME UNIVERSITY, CHENNAI situated at East Coast Road, Semmencherry, Chennai -600119 (hereinafter called 'IMU') and AMET Deemed to be UNIVERSITY situated at 135, East Coast Road, Kanathur, Chennai-603112 (hereinafter called 'AMET').

THE AMET and THE IMU agree to undertake a series of mutually beneficial activities under this MOU. The two Institutions will endeavor to cooperate in education and research in the areas of mutual interest. To the extent feasible, both Institutions will encourage direct contact and cooperation between faculty members, departments, research institutions and students. The areas of collaboration are broadly listed in this MOU, while the specific details with reference to each activity shall be worked out at the time of actual activity.

Kanathur - 603 112, Chennai, India.

I. AREAS OF COOPERATION

Specific areas of cooperation between the two universities may include, but are not limited to, the following:

1. Joint research activities, lectures and lectures via-e-learning;
2. Participation in seminars and academic meetings;
3. Exchange of published academic materials and other information;
4. Use of library resources
5. Special short-term academic programs
6. Participation in cultural programs
7. Infrastructure Resource sharing
8. Exchange of faculty members;

2. FEATURES OF COLLABORATION

The areas of cooperation include, subject to mutual consent, any programme offered at either University as felt desirable and feasible on either side and both sides feel contributes to the fostering and development of the cooperative relationships between the two Universities.

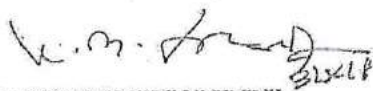

The assistance to be provided by each of the contracting parties will be teaching, research, exchange of faculty and students, and resource sharing etc. as deemed beneficial by the two institutions.

3. RENEWAL, TERMINATION, AND AMENDMENT

This Memorandum of Understanding (MOU) shall remain in effect for a period of (3) three years. This agreement shall be terminated or be modified by mutual agreement or by each party by written notice to be given six months prior to the termination of the understanding commitments already in process shall be fulfilled.

This Memorandum of Understanding (MoU) is effective as of 22.01.2020 to establish an affiliation by and between

PREAMBLE

WHEREAS, Academy of Maritime Education and Training (AMET) - Deemed to be University, Kanathur, Chennai, Tamilnadu & International American Council for Research & Development (IACRD), United States of America have many areas of common interest in Engineering and Sciences, considerable advantage may be gained from their pursuit on a collaborative basis in the fields of academics, research and placement. NOW THEREFORE, Academy of Maritime Education and Training (AMET) - Deemed to be University, Kanathur, Chennai, Tamilnadu & International American Council for Research & Development (IACRD), United States of America have decided to enter into this Memorandum of Understanding (hereinafter referred to as MoU), which defines the framework for the cooperation of both institutions / organizations set out in the following section.

ARTICLE 1: OBJECT

Both institutions / organizations agree to develop the following collaborative activities in the academic areas of mutual interest through smart partnership, being creative on the basis of equality and reciprocity.

Both institutions / organizations shall seek to promote:

A. Conducting International Conferences, Symposiums, Workshops and Seminars on the basis of equality and reciprocity.

- International conferences can be conducted on the same date at multiple partnership institutions / organizations and the speaker's fees, including air fare and local travelling expenses can be shared equally.
- Few well-known and high calibre speakers from five different developed countries like the USA, UK, Australia, Canada and Germany and few well-known speakers from India (CSIR, IIT etc.) will be invited and every institution/organizations will share the speakers expenses equally, ultimately creating a stronger program for attendees and reducing the budget (speaker's fees, including air fare and local travelling expenses only).

Registrar i/c

- International Conferences, Symposiums or Workshops if conducted at multiple partnership institutions on different dates, then the other partnership institutions can invite the speakers to their institutions / organizations to conduct International workshops by bearing the local travelling, boarding and lodging expenses for the speakers from developed countries like the USA, UK, Australia, Canada and Germany on the basis of equality and reciprocity.
- International Conferences, Symposiums, Workshops, Seminars, and other types of academic discussions if conducted at both partnership institutions on different dates, both partnership institutions / organizations can participate by paying only 50% registration fees to attend the multiple programs, including publishing papers in the International Journals and Conferences.

B. Appointment of Adjunct Faculty

- Appointment of "Adjunct faculty" titles (Adjunct Assistant Professor, Adjunct Associate Professor, and Adjunct Professor) between both institutions / organizations for individuals who will conduct research and/or teach courses and who will have long-term teaching and service commitments to the academic unit. An adjunct faculty member may serve as co-adviser for Master of Science or Ph.D. students, but may not as a sole adviser.

C. Collaboration in research activities on the basis of equality and reciprocity.

- Collaboration in research and development, in the field of mutual interest and engage jointly in research or training programs sponsored by funding agencies, apply for joint research grants and to invite each other's faculty and students to participate therein.
- To exchange, on a reciprocal basis, students at Undergraduate and Post-graduate levels for limited periods of time for the purpose of research and Co-supervising Post-graduate and Ph.D students.

D. Other Areas:

- Collaborate altogether in research activities and publish research papers in international journals.
- Internship program, project work and collaborative research for the benefit

ARTICLE 2: COORDINATION

Both institutions / organizations shall appoint one member of its teaching/research/ to coordinate and work together, and periodically review and identify ways to strengthen cooperation between both institutions.

ARTICLE 3: VALIDITY

The Memorandum shall remain in force for a period of THREE years commencing from the effective date. Both institutions / organizations may extend the term by written agreement signed by both after review.

ARTICLE 4: TERMINATION

Both institutions / organizations may terminate the MoU by giving written notice of six months in advance to the other institution/organizations. Once terminated, both institutions / organizations will not be responsible for any losses, financial or otherwise, which the other institutions / organizations may suffer. However, both institutions / organizations will ensure that the provisions of this Memorandum shall continue to apply to all activities in progress until their completion.

ARTICLE 5: AMENDMENTS/MODIFICATIONS

This MoU may be amended or modified by a written agreement signed by the Coordinators of both institutions / organizations.

ARTICLE 6: LEGAL EFFECT

Nothing in this Memorandum shall be construed as creating any legal relationship between both institutions / organizations. This Memorandum is a statement of intent to foster genuine and mutually beneficial collaboration.

ARTICLE 7: DISPUTE RESOLUTION

In case, there is a dispute relating to any aspect of academic cooperation, the Director – Centre for Research (AMET Deemed to be University and academic head of International American Council for Research & Development (IACRD) will

PREAMBLE

This Memorandum of Understanding (MoU) is entered into by and between, Academy of Maritime Education and Training (AMET) deemed to be University (u/s 3 of UGC Act 1956), Department of Marine Biotechnology, hereafter "AMET", with a registered address at 135, East Coast Road, Kanathur, Chennai-603112 and Jayagen Biologics, hereafter "JAYAGEN", with a registered address at 15/6, Second Floor, Lake View Road, Kottur, Chennai 600085. AMET and JAYAGEN are referred to collectively, as "PARTIES" or individually as "PARTY."

1. Purpose

The PARTIES recognize the benefits to be derived from increased collaboration, cooperation and interaction for the further research & development (R&D) and consultancy activities on Biotechnology (hereafter, collectively referred to as the "FIELD").

The purpose of this MoU is to define the areas for R&D and consultancy in which the PARTIES desire to work together in the future for their mutual benefit to foster a collaborative framework between AMET and JAYAGEN in the FIELD with a view to benefiting from each other's initiatives and working procedures and to support collaboration among the researchers associated with both PARTIES.

2. Scope

This MOU sets forth the intentions of the PARTIES for increased collaboration, cooperation and interaction and does not create any legally binding commitments. If the PARTIES later agree to undertake specific joint projects with legally binding obligations, they will develop separate written agreements for such projects, setting out each PARTY'S contributions, deliverables, and budgets.

It is understood that AMET is a deemed University under the regulations of University Grants Commission, Government of India so the activities undertaken by AMET under this MoU, or any subsequent agreements, must be in accordance with the UGC guidelines and regulations (section 3 UGC Act 1956). Similarly, it is also understood that JAYAGEN is a Small Scale Industry approved by Micro, Small and Medium Enterprises (MSME) Department of Industries and Commerce of Government of Tamil Nadu. So the activities undertaken by JAYAGEN under this MoU, or any subsequent agreements, must be in accordance with the MSME guidelines and regulations.

The PARTIES collaborate, cooperate and interact to achieve the following scopes of this MoU.

1. The PARTIES intend to pursue collaboration on R&D and consultancy in Biotechnology.

1.1.Examples of research works under the title of R&D and consultancy in Biotechnology.

1.1.1. Molecular Identification of Bacteria, Fungi, Actinomycetes, Algae

1.1.2. DNA Sequencing and Primer Synthesis

1.1.3. DNA Barcoding for Plants and Animals

1.1.4. Molecular techniques and Recombinant DNA Technology

1.1.5. Biotechnological Database Analyses

1.1.6. *In vitro* Bioassays

1.1.7. Phytochemical Analysis

1.1.8. Purification of bioactive Secondary metabolites and Enzymes

1.1.9. Spectral Analyses of Secondary Metabolites and Structure Elucidation

1.1.10. Fermentation Biotechnology

1.1.11. Organic Manures and Biofertilizers

1.1.12. Organic produces

1.1.13. Aquaculture bioproducts

2. Both PARTIES exchange the technical expertise such as experimental procedures, instrumental knowledge and development of new protocols in FIELDS.

3. Both PARTIES agree to exchange the expertise of their working staff under mutual convenience when requested by either PARTY. For example, JAYAGEN can request to utilize the expertise of AMET staff for their technical events. However, exchange of faculties or staff or scientist is to be done under mutual convenience of the PARTIES when such exchanges doesn't affect the normal functioning of the PARTIES. During Conferences, Seminars, Symposia and Workshops organized by either PARTY, above mentioned exchange of working staff may avail with mutual concerns.

4. Both PARTIES agree to utilize their Laboratory Instrument Facilities without any payments. PARTIES when such utilizations don't affect the normal functioning of the PARTIES.

3. Costs

3.1 Each Party will be responsible for its own costs in connection with all matters relating to collaborations under this MOU. Where possible and appropriate, the PARTIES may also seek funding for collaborations from other government and private agencies.

4. General Provisions

4.1 As stated above, any specific joint projects will be set forth in separate written agreements.

4.2 Treatment of intellectual property rights developed through collaborations under this MoU will be determined between the PARTIES through mutual consultation and separate written agreements on a case-by-case basis.

4.3. Publication credits of any kind arising as a result of this MoU shall be shared by both the PARTIES. The lead authors would be the PARTY where major part of the experiments conducted. The corresponding authors of the publications would be the PARTY which has prepared the manuscript. The above issues will be discussed by the PARTIES and decide the authorship details. The publications as a result of this MoU will be made under mutual concerns of the PARTIES while either PARTY is intimated verbally.

5. Confidentiality

5.1. The PARTIES agree that there is no intention to share any confidential or proprietary information in any collaboration under this MoU. If either PARTY wishes to disclose information it considers to be confidential or proprietary to the other PARTY, the PARTIES will enter into a written non-disclosure agreement.

6. Duration

6.1 This MoU shall be effective for a period of FIVE (5) years from the date of final signature. It may be modified or extended by mutual written agreement by the PARTIES. This MoU may be terminated by either PARTY upon three (3) months advance written notice.

Kanathur - 603 112, Chennai, India.

7. Benefit Sharing for consultancy works

7.1. Both monetary and non-monetary benefits arising as a result of this MoU shall be shared between both PARTIES.

Sharing of monetary benefits is as follows

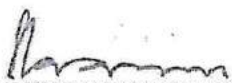

- ✦ Both the PARTIES shall advertise each of their Consultancy Activities in their websites.
- ✦ It is up to the willingness of the PARTIES either to refer or to completely undertake any Consultancy works. If done on mutual and referral basis, the monetary benefits will be shared otherwise not.
- ✦ Thirty percent of the total business amount shall be given to the PARTY that provide referral for the consultancy activities while the remaining 70% shall be given to the PARTY which actually undertakes technical works.
- ✦ The final technical reports shall be given under the name of the PARTY that originally receives and forwards the consultancy activity.

The non-monetary benefits like Intellectual Property Rights and Technology Transfer, Trainings and Capacity Building will be addressed case by case with mutual concerns of the PARTIES.

The Parties to this Memorandum of Understanding (total of 6 pages) hereby confirm their
agreement to its terms by the following signatures

2. Term of the MOU, This MOU is effective upon the day and date last signed, and executed by the duly authorized representative of the parties to this MOU and shall remain in full force and effect till the end of the Value added courses conducted by Labtech Electronics Private Limited for 3 years. This MOU may be terminated, without cause, by either party upon one month written notice. Which shall be delivered by hand or by certificate, mail to the address listed above.
3. AMET Deemed to be University, Chennai agrees to provide the following facilities
 - Class Rooms
 - Public Addressing System
4. Labtech Electronics Private Limited shall provide all the material – teaching notes, course material and relevant software required for the program delivery.
5. AMET Deemed to be University is free to extend the course to other departments, as well, and Labtech Electronics Private Limited shall extend all the support required for the course delivery at other campuses.
6. Classes will be conducted from Monday to Friday, and if required during the weekends, as mutually agreed between AMET Deemed to be University and Labtech Electronics Private Limited.
7. General Provisions
 - A. Amendments, either party may request changes to this MOU. Any changes, modifications, revisions, or amendments to this MOU which are mutually agreed upon by and between the parties to the MOU shall be incorporated by written instrument, and effective when executed and signed by both parties to this MOU.
 - B. Entirety of agreement. This MOU consisting of 3 pages represents the entire and integrated agreement between the parties and supersedes all prior negotiations, representation and agreements whether written or oral.
 - C. Severability should any portion of this MOU be judicially determined to be illegal or unenforceable, the remainder of the MOU shall continue in full force and effect, and either party may renegotiate the terms affected by the severance.
8. Indemnification: "Labtech Electronics Private Limited shall indemnify and hold AMET Deemed to be University harmless against claims, costs, expenses, losses, damages and any other liabilities incurred as a result of failure to observe and perform obligations pursuant to this MOU".
9. Signatures. In witness, whereof, the parties to this MOU through their duly authorized representatives have executed the MOU on the days and dates set out below, and certify that they have read, understood, and agreed to the terms and conditions of this MOU as set forth herein.
10. In the event of any dispute or difference arising under this contract/agreement in connection therewith except as to the matter, the decision of which is specifically prescribed under this contract the same shall be referred to the sole arbitration of Registrar, AMET Deemed to be University, Chennai. The venue of the arbitration proceedings shall be within Chennai.

COURSE MODULE FOR VALUE ADDED TRAINING PROGRAM

II yr

Department: Department of Electrical engineering

Candidates: III Year Students, EEE Dept, AMET University

Duration: 30 Hours ((Weekly 3 Hours) (3 months Appx.)

Timing: TBD

Place: Department of EEE, AMET University, Chennai

Starting month: January 2019

Course name: **SOLAR BASED RENEWABLE ENERGY TECHNOLOGY**

Instructor: Industry experts from LABTECH ELECTRONICS PVT LTD

Course fees: 1600/- Per head (Per Student)/(Minimum 30 Students)

Prerequisites: Knowledge of computer fundamentals and basic programming

Requirements: University must provide computers/Laptops with Single phase AC power supply & OPEN SPACE (6 sq.meters)
Sufficient Level for the number of participating students

Deliverables: Course Materials, Lecture by LABTECH Staff
Solar Based Renewable Energy Technology Hands on Training,
Test Series and Certificate

Certificate: Course completion certificate upon successful
Completion of the course and Test on SOLAR BASED
RENEWABLE ENERGY TECHNOLOGY
By LABTEH ELECTRONICS PVT.LTD.

COURSE SYLLABUS

- Electrical Engineering & Different types of Electrical Load,
- Wires and Cables
- Concept of Magnetism & Alternating Current Generation, Transmission and Distribution of Electricity
- Concepts and Classification of Non Conventional Energy Sources
- Renewable Energy and its prospects
- various RE Sources, Energy Flow in Ecosystem
- Physics of semiconductors and Solar cell technologies
- Solar Radiation and its Measurements
- Components of a PV System: Battery, Inverter and Charge controllers
- Various Tracking mechanisms
- Trouble Shooting of different PV system and its important tools used
- Solar Thermal Systems
- Installation of Solar Power Plant
- Commissioning and Testing of Solar Power Plant
- O & M of Solar Power Plant
- Techno-economic analysis of solar thermal and solar PV power plants
- Grid Integration and System Operational Aspects
- Jawaharlal Nehru National Solar Mission
- MNRE guidelines
- DPR preparation for power plants.
- SOLAR PV GENERATION SYSTEM HANDS ON

ACADEMY OF MARITIME EDUCATION AND TRAINING
(Deemed to be University u/s 3 of UGC Act. 1956)
135, East Coast Road,
Kannathur - 603 112, Chennai, India.

The Department of Electrical and Electronics Engineering of AMET Deemed to be University has organized Value Added Training Programme on **"Solar Based Renewable Energy Technology"** during January 2019 to May 2019 at AMET Deemed to be University in collaboration with Labtech Electronics Pvt Ltd. 47 students from 3rd years B.E (Electrical and Electronics Engineering-Marine) of Batch-10 attended the training programme.

The event started on 3rd September 2018 at AMET Deemed to be University, @ 9.00 AM with the overview by the Labtech team. They conducted a basic test to know the understanding level of the students. After that summary about the entire training programme was given by the co-ordinator of the Labtech team. The training was conducted from 9.00AM to 4.30PM on every day. For all the days students were undertaken the theory as well as the hands-on practical sessions. During the practical sessions, students were provided with the separate circuit boards for practice. On May 2019, the training programme was ended with the feedback session.

The contents of the programme are as follows:

Course Details
Electrical Engineering & Different types of Electrical load
Wires & Cables
Concept of Magnetism & Alternating Current Generation, Transmission & Distribution of Electricity
Concepts and Clarification of non-conventional Energy sources
Renewable energy and its prospects
Various RE Sources; Energy flow in Ecosystem
Physics of semiconductor and solar cell technologies
Solar radiation and its measurements components of a PV system: Battery, Inverter and charge controllers
Various Tracking mechanisms
Trouble shooting of different PV system and its important tools used
Solar Thermal systems
Installation of solar power plant
O & M of solar power plant
Techno-economic analysis of solar thermal and solar PV power plants

Feedback by the students:

- The students of final year and third year valued the training programme since hands-on experience was given by the Labtech training team.
- The students are well aware about the safety practices followed in the industry.
- The student's skills are amended since they learned the working of the solar panels.

MEMORANDUM OF UNDERSTANDING

Between

AMET (Deemed to be University), Chennai
&
Logipathways, Chennai

This MEMORANDUM OF UNDERSTANDING (hereinafter called THE MOU) is entered into on this date, 6th February 2019 between AMET (Deemed to be University) situated at 135, East Coast Road, Kanathur, Chennai - 603112 (hereinafter called 'THE UNIVERSITY') and Logipathways having its registered office at 166 (old 238) 2nd floor, Linghi Chetty St, Chennai (hereinafter called THE COMPANY).

THE UNIVERSITY and THE COMPANY agree to undertake a series of mutually beneficial activities under this MOU. The areas of collaboration are broadly listed in this MOU, while the specific details with reference to each activity shall be worked out at the time of actual activity.

1. THE UNIVERSITY shall arrange to conduct Value Added Programmes for the MBA, BBA and B.Com students of AMET Business School in the professional domain of THE COMPANY. THE COMPANY shall depute its executives to the value added programmes organised by THE UNIVERSITY to handle classes in THE UNIVERSITY premises.
2. THE UNIVERSITY shall collect the fees for the value added programme from the students.
3. THE UNIVERSITY shall pay the designated amount per student to THE COMPANY, which may be fixed-up by mutual consultation with THE COMPANY for offering the Certificate Programme or Diploma programme to the students at the mutually decided time period.

MEMORANDUM OF UNDERSTANDING

Between

AMET (Deemed to be University), Chennai
&
Logipathways, Chennai

4. THE COMPANY shall provide guidance to the students to obtain Internships / Projects / Employment in the professional domain of THE COMPANY.
5. The students of THE UNIVERSITY may be deputed to the events conducted by THE COMPANY for extending their services as volunteers and also learning in the process.
6. Through this MOU, both THE UNIVERSITY and THE COMPANY affirm their commitment to develop a mutually enriching relationship.
7. The purpose of this MOU is only to explore & express the intentions of the parties and does not have legal implications.
8. Both THE UNIVERSITY and THE COMPANY recognize that this MOU is not exclusive to either of the parties in that it does not preclude either party from having similar MOUs with other institutions.
9. Each party shall keep confidential any information that is received from the other party. The same shall not be shared in any public forum or third party or social media.
10. This Memorandum of understanding will be in force for three years from this date. At the end of this period, the MOU may be extended, modified or terminated. Any difference of opinion between the parties on any activity during the period of the MOU shall be resolved by mutual consultation.

MEMORANDUM OF UNDERSTANDING

Between

WRITE UP ON ICEGATE TRAINING

About ICEGATE

Indian Customs Electronic Gateway (ICEGATE) is the national portal of Indian Customs of Central Board of Indirect Taxes and Customs (CBIC) that provides e-filing services to the Trade, Cargo Carriers and other Trading Partners electronically.

At present, about 43542 users are registered with ICEGATE who are serving about more than 12.5 lacs importer/exporter. Through this facility Indian Customs offers a host of services, including electronic filing of the Bill of Entry (import goods declaration), Shipping Bills (export goods declaration), e-Payment of Customs Duty, a free of cost web-based Common Signer utility for signing all the Customs Documents, facility to file online supporting documents through e Sanchit, end to end electronic IGST Refund and etc.

ICEGATE is internally linked with multiple partner agencies including RBI, Banks, DGFT, DGCIS, Ministry of Steel, Directorate of Valuation and other various Partner Government Agencies involved in EXIM trade enabling faster Customs clearance. All electronic documents/messages being handled by the ICEGATE are processed at the Customs' end by the Indian Customs EDI System (ICES), which is running at 245 Customs Locations.

In addition to e-filing, ICEGATE also provides host of other services like 24X7 helpdesk facility for its trading partners, e payment of Central Excise and Service Tax, on-line registration for IPR, Document Tracking status at Customs EDI, online verification of DEPB/DES/EPCG licenses, IE code status, PAN based CHA data, IGST Refund Status and links to various other important websites/information related to EXIM Trade.

ICEGATE schema in ICES: Data and Control File Structures

After picking up data from the Service Center, ICEGATE will put the same in a parallel set of structures in the ICEGATE schema of ICES. These comprise a set of data tables and control tables (In case of a single-table message, Control table and Data tables may be merged). These set of structures are also used to handle the equivalent messages coming over network.

For each set of data picked up from Service Center, ICEGATE will insert the same in the corresponding tables in the ICEGATE schema of ICES and will also update the corresponding Control Table. Based on this, ICES application will pickup data from these sets of data tables, process the same and update the ERR_CD fields in the data tables. ICEGATE will then send the acknowledgement (positive or negative) to Service Center.

WRITE UP ON EXPORT PROCEDURE AND DOCUMENTATION

EXPORT DOCUMENTATION AND PROCEDURES

Exporters should seriously consider having the freight forwarder handle the formidable amount of documentation that exporting requires; freight forwarders are specialists in this process. The following documents are commonly used in exporting; which of them are actually used in each case depends on the requirements of both our government and the government of the importing country.

1. Commercial invoice
2. Bill of lading
3. Consular invoice
4. Certificate of origin
5. Inspection certification
6. Dock receipt and warehouse receipt
7. Destination control statement
8. Insurance certificate
9. Export license
10. Export packing list

STEP1: Enquiry :

The starting point for any Export Transaction is an enquiry.

An enquiry for product should, inter alia, specify the following details or provide the following data

- Size details - Std. or oversize or undersize
- Drawing, if available
- Sample, if possible
- Quantity required
- Delivery schedule
- Is the price required on FOB or C& F or CIF basis
- Mode of Dispatch - Sea, air or Sea/air
- Mode of Packing
- Terms of Payment that would be acceptable to the Buyer - If the buyer proposes to open any Letter of Credit, any specific requirement to be complied with by the Exporter
- Is there any requirement of Pre-shipment inspection and if so, by which agency
- Any Certificate of Origin required - If so, from what agency.

STEP 2: - Proforma generation :

- After studying the enquiry in detail, the exporter - be it Manufacturer Exporter or Merchant Exporter - will provide a Proforma Invoice to the Buyer.

ACADEMY OF AMTITE EDUCATION
(Deemed to be University) 63/016/Act-1957
36, 5th Cross Road,
Kannathur 600112, Chennai, India.

STEP 3: Order placement :

- If the offer is acceptable to the Buyer in terms of price, delivery and payment terms, the Buyer will then place an order on the Exporter, giving as much data as possible in terms of specifications, Part No. Quantity etc. (No standard format is required for such a purchase order)

STEP 4: Order acceptance :

- It is advisable that the Exporter immediately acknowledges receipt of the order, giving a schedule for the delivery committed.

STEP 5: Goods readiness & documentation :

- Once the goods are ready duly packed in Export worthy cases/cartons (depending upon the mode of despatch), the Invoice is prepared by the Exporter.
- If the number of packages is more than one, a packing list is a must.
- Even If the goods to be exported are excisable, no excise duty need be charged at the time of Export, as export goods are exempt from Central Excise, but the AR4 procedure is to be followed for claiming such an exemption.
- Similarly, no Sales Tax also is payable for export of goods.

STEP 6: Goods removal from works :

- There are different procedures for removing Export consignments to the Port, following the AR4 procedure, but it would be advisable to get the consignment sealed by the Central Excise authorities at the factory premises itself, so that open inspection by Customs authorities at the Port can be avoided.
- If export consignments are removed from the factory of manufacture, following the AR4 procedure, claiming exemption of excise duty, there is an obligation cast on the exporter to provide proof of export to the Central Excise authorities

STEP 7: Documents for C & F agent :

- The Exporter is expected to provide the following documents to the Clearing & Forwarding Agents, who are entrusted with the task of shipping the consignments, either by air or by sea.
- Invoice
- Packing List
- Declaration in Form SDF (to meet the requirements as per FERA) in duplicate.
- AR4 - first and the second copy
- Any other declarations, as required by Customs
- On account of the introduction of Electronic Data Interchange (EDI) system for processing shipping bills electronically at most of the locations - both for air or sea consignments - the C&F Agents are required to file with Customs the shipping documents, through a particular format, which will vary depending on the nature of the shipment. Broad categories of export shipments are:
- Under claim of Drawback of duty
- Without claim of Drawback
- Export by a 100% EOU
- Under DEPB Scheme

135, East Coast Road,
Kannur - 603 112, Chennai, India.

STEP 8: Customs Clearance :

- After assessment of the shipping bill and examination of the cargo by Customs (where required), the export consignments are permitted by Customs for ultimate Export. This is what the concerned Customs officials call the 'LET EXPORT' endorsement on the shipping bill.

STEP 9: Document Forwarding :

After completing the shipment formalities, the C & F Agents are expected to forward to the Exporter the following documents:

- Customs signed Export Invoice & Packing List
- Duplicate of Form SDF
- Exchange control copy of the Shipping Bill, processed electronically
- AR4 (original duplicate) duly endorsed by Customs for having effected the Export
- Bill of Lading or Airway bill, as the case may be.

STEP 10: Bills negotiation :

With these authenticated shipping documents, the Exporter will have to negotiate the relevant export bill through authorized dealers of Reserve Bank, viz., Banks.

Under the Generalized System of Preference, imports from developing countries enjoy certain duty concessions, for which the exporters in the developing countries are expected to furnish the GSP Certificate of Origin to the Bankers, along with other shipping documents.

Broadly, payment terms can be:

- DP Terms
- DA Terms

Letter of Credit, payable at sight or payable at days.

Step11: Bank to bank documents forwarding :

- The negotiating Bank will scrutinize the shipping documents and forward them to the Banker of the importer, to enable him clear the consignment.
- It is expected of such authorized dealers of Reserve Bank to ensure receipt of export proceeds, which factor has to be intimated to the Reserve Bank by means of periodical Returns.

STEP 12: Customs obligation discharge :

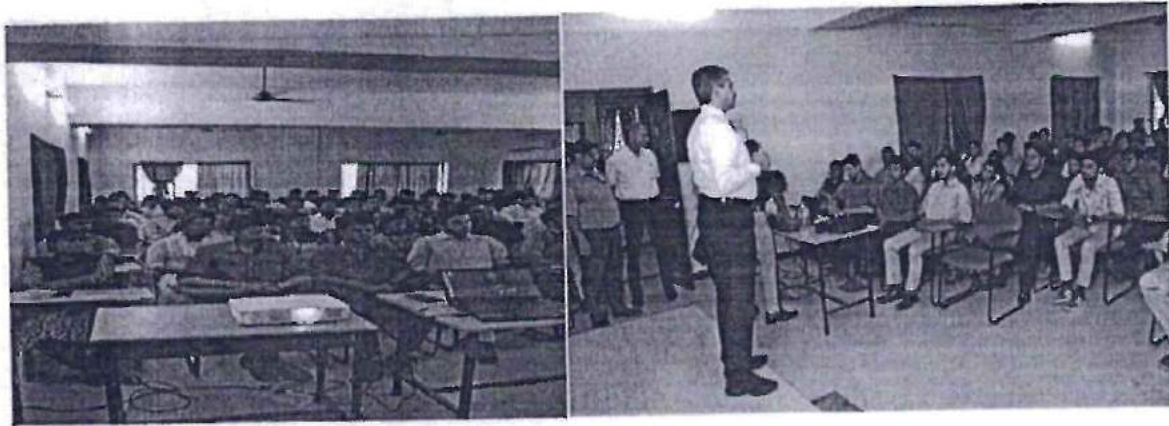

- As indicated above, Exporters are also expected to provide proof of export to the Central Excise authorities, on the basis of the Customs endorsements made on the reverse of AR4s and get their obligation, on this score, discharged.

STEP 13: Receipt of Bank certificate :

- Authorized dealers will issue Bank Certificates to the exporter, once the payment is received and only with the issuance of the Bank Certificate, the export transaction becomes complete.
