

## 1. REMOTE ACCESS NFED through INFLIBNET

### Remote Access Homepage-INFED and ILMS

The screenshot shows the AMET University website. The browser address bar displays 'idp.ametuniv.ac.in'. The website header includes the AMET University logo and name. A red circle highlights the 'AMET University Off-Campus Access' link. Below this link, a paragraph explains the service: 'The University Library subscribes the electronic resources through e-ShodhSindhu as well as from the publishers. The Off-Campus Access service is provided to the faculty members to seamlessly access the subscribed scholarly electronic resources from outside the University campus. Username and password have been provided to all the faculty members to access the resources 24/7 through identity providers. You may communicate to the Library to get the username and password. In case any issues, kindly contact the Library Team'. The page is divided into two main sections: 'Subscribed E-Resources' and 'Contact Us'. The 'Subscribed E-Resources' section lists four resources: ASME Journals Online, EBSCO, IEEE, and ProQuest. The 'Contact Us' section provides contact information for Dr Sekar (sekar@ametuniv.ac.in), the INFED Team (infed@inflibnet.ac.in), and a link to the library website (http://parichay.inflibnet.ac.in).
