Please note that this letter is NOT the Confirmation of Acceptance for Studies (CAS) that you need in order to apply for a Tier 4 (General) Student Visa, if you need this to study in the UK. Under the current Tier 4 regulations, a CAS is only valid for 6 months. We will issue your CAS no more than 3 months before the start of your course, provided you have an unconditional offer at that point. If you have an unconditional offer but have not received your CAS 3 months before the course start date, please contact [international-admissions@brunel.ac.uk](mailto:international-admissions@brunel.ac.uk).

- **Estimated costs of living**

To meet UK Visas and Immigration (UKVI) maintenance requirements, when you apply for your Tier 4 student visa you will need to show that you have £1,265 for living costs for every month of your course (up to a maximum of 9 months or £11,385). This is in addition to your remaining tuition fees, and may not accurately reflect your personal costs. We recommend that you plan your finances accordingly before you start your course. Useful advice about this can be found on the UK Council for International Student Affairs (UKCISA) website.

- **Changing the course that you wish to study**

Now that you have been offered a place, we recommend that you ensure this is the course you definitely wish to study.
