The recognition would be valid for the period specified in the recognition letter and application for renewal of recognition shall be submitted in the prescribed proforma at least 3 months before the expiry of the valid recognition. Failure to submit application in time may lead to automatic lapsing of the recognition & registration.  
\*\*However, the certificate of registration is not issued to SIROs engaged in activities falling within the definition of "hospital" as per notification No. 51/96-Cus. Dt. 23.07.1996 issued by the Department of Revenue.
4. The recognition of DSIR does not amount to approval u/s 35(1)(ii)(B) of Income Tax Act, 1961.
5. The recognition will entitle the SIROs to avail of custom duty exemption on purchase of equipment, instruments, spares thereof, consumables, etc. used for research and development subject to relevant Government policies in force from time to time. Custom duty exemption has to be separately dealt with the customs authorities. The SIROs should abide by the terms & conditions of the customs notifications issued/amended from time to time.
6. Separate books of accounts shall be maintained by the SIRO for research & development activities and the R&D expenditure, both capital and recurring should be reflected in the Annual Report and Statement of Accounts of the Organization in separate schedules.
7. Depreciable of equipment and products/prototypes/intermediates, if any, emanating from the R&D unit/plant, should be intimated to DSIR immediately. The realization, if any, from above or any services rendered etc. shall be shown in the R&D accounts of the organization as income of the SIRO in the audited accounts as well as annual report and should be used or reinvested for research activities only. In case of depreciable of R&D equipment, clearance from custom authorities will also be required in view of the applicable notifications under which the equipment was imported/purchased in India.
8. Accelerated depreciation allowance as per Rule 5(2) of Income Tax Rules 1962 will be available on investments on plant & machinery by any industrial unit which has made these investments for the purpose of commercialization of technology/know-how acquired from a SIRO recognition by DSIR.
9. Brief summary of the achievements of the organization shall be submitted to the DSIR every year. This should include details related to papers published, patents obtained and process developed, new products introduced, awards & prizes received, copy of Annual Report and Statement of Accounts of the organization etc. List of equipment, instruments, parts and consumables imported/purchased using the duty exemption should also be submitted to DSIR along with the Annual Report.
10. Any violation of the terms & conditions mentioned above and / or provisions of taxation in force will make the organization liable to de-recognition.
11. The organization will also conform to such other conditions for recognition stipulated in the Guidelines or as may be specifically provided in the recognition letter.

Dear ADVAITH

Congratulations!

With reference to your application for the cadet sponsorship program with Maersk A/S, we hereby confirm that your application has been shortlisted.

You are expected to meet the below minimum criteria and final confirmation of your sponsorship will be issued at the sole discretion of the Company.

1. Maintain Minimum CGPA score of 6.5, with no arrears in all semesters.
2. No disciplinary/behaviour issues whilst pursuing BTech/BSc program.
3. Obtain fit for duty seafarer medical certificate without any limitations from Company's appointed clinic.

In addition, you confirm understanding of below:

1. No ongoing legal case which will prevent you from getting out of your home country or legitimately entering the country of embarkation
2. Any candidate found bribing, using forged documents, using unfair and/or fraudulent means and/or influences etc. during any stage of recruitment will be deselected with possible legal action to be taken.
3. Future promotion to Junior Officers is strictly based on performance and requirements

For us to ensure that you are meeting the above criteria we will be collecting your personal data regarding overall and academic performance from your Maritime Institute Academy of Maritime Education and Training (AMET). Your data will be processed in accordance with applicable data protection legislation in force.

If you wish to exercise your right to access your Personal Data, to object to it being processed or to rectify processed data, please contact [dataprivacy@maersk.com](mailto:dataprivacy@maersk.com) or send a letter to A.P.
